

Fry Word List

1st Grading Period

Research has shown that fluency (the ability to read words quickly and without sounding out) is an important factor in a student's reading success.

Each grading period, I will provide you with a list of 75 words your child needs to work on mastering. I encourage you to help your child at home by playing games (go fish, matching, flashcards, etc) with these words. Thanks for your support from home.

the	a	is	you	to
and	we	that	in	not
for	at	with	it	on
