

# Career & College Promise / NCVPS

## Hardship Reimbursement Waiver Request Form

Circle One:            Spring            Fall            Yearlong

Reimbursement for eligible Career & College Promise and/or NCVPS curriculum resources will be available at/toward the end of each course. If you need to be reimbursed prior to the end of the semester due to a family financial hardship, you may fill out this Waiver Request Form and submit to your Textbook Coordinator or Counselor for review by the District Office.

*NOTE: This Waiver Request Form is only applicable to the current semester or yearlong course. A new form must be submitted for each future semester, if necessary at that time.*

Eligibility for waiver will be determined by the same criteria that are used for the free/reduced lunch program, as well as other mitigating factors. The signatures below verify that this student and his/her family meet or would meet those income eligibility guidelines.
