**Joint Statement  
(Divorced or Separated Parents)**

If physical custody has not been determined or has been granted jointly to both parents, or if the custodial parent wishes the student to attend school in the non-custodial parent's district of residence, the parents must jointly agree on which residence will be used to determine the child's domicile. The selected residence must be submitted in writing. This selection may not be changed during the school year unless the parents satisfy the board's policies on transfers and releases.
