

Dear Families and Caregivers,

We know that missing school isn't easy for your kids—or for you. But we also know that there are simple ways to turn unexpected time at home into exciting opportunities for your students to learn, think, and grow.

That is why we've created Scholastic's Learn at Home website. This free resource provides your children with 20* days of exciting articles and stories, videos, and fun learning challenges. Children can complete them anytime, in any order. They can work on their own or together with you and your family.

Our active learning journeys are available on any device and will provide your child with up to three hours' worth of exciting learning experiences per day. They can go on virtual field trips, meet best-selling authors, or dig deep into a topic they love.

We hope that you and your children stay safe and healthy, and wish you the best of luck during this stressful time.

With best wishes from all of us at Scholastic,

Lauren Tarshis
Sr. VP, Editor in Chief & Publisher
