IS IT LUCK OR SOMETHING IN THE POT OF GOLD?

They say when in doubt, go with "C". **BUT** maybe try another strategy.

Check out these lesson ideas:

Math:
Reading and Understanding written Math Problems
(Colorin Colorado).

Reading:
Cite Text Evidence in Informational Texts
(Ellevation).

Our EOY tests are coming up this quarter! A big part of getting the answers right is *understanding the questions and the text*. You taught the content, but will your students understand the terminology that is being used?
