

We are still going to be mainly using Canvas, but the district is having us use Microsoft Teams to meet “live”. Please follow the directions below to access it. From what I am hearing, you will need to use Google Chrome or Firefox to access Microsoft Teams. **Please try and get into Microsoft Teams and contact me if you are not able to get in by Thursday, April 2. We will be using this to meet Friday, April 3.**

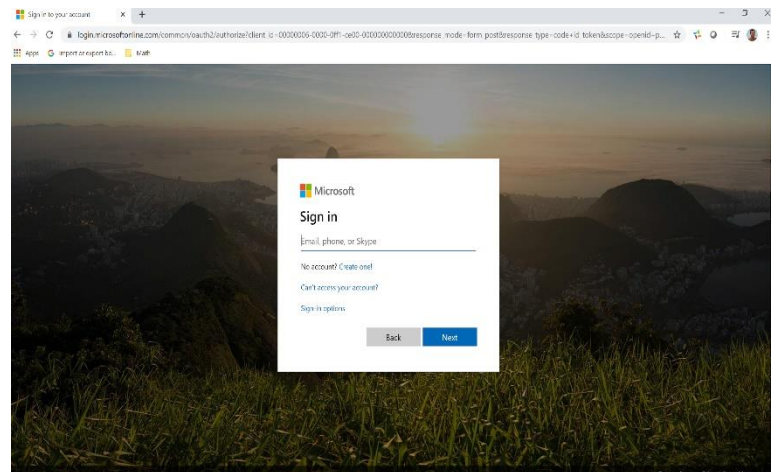

Sites you will need also need to access frequently other than Canvas and Microsoft Teams:

- Google Drive (using your school log in’s@cabarrus.k12.nc.us)
- Email (using Office 365 ---- NOT GMAIL!)
- Aleks
- Deltamath

1) First, go to the NW home page. Click **Resources** and then **Office 365**. I recommend you bookmark this website as you will be using it frequently.

2) Use the log in that you would use For your Chromebooks----- @cabarrus.k12.nc.us do not add “st”).

3) Select **TEAMS** for our online meetings. Select **OUTLOOK** to send me emails if you are having issues with Remind. I should be able to reply to emails from these accounts.
