### Reading

• We will continue with retelling this week including now identifying the problem and solution in a story. In small groups this week, we will discuss the story of the 3 Billy Goats Gruff and assess the students' retelling of it.

• Later in the week, we will start to introduce non-fiction/informational text and begin working on strategies for reading these texts.

For our weekly poem activities, we continue with sight words, rhyming, vocabulary, concepts of print, and comprehension activities.
