

What a Wonderful Week in Ms. Reisinger's Class!

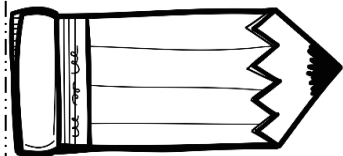

For your Calendar!

We're learning...

- 10/3: Progress reports go home
- 10/6: Movie night
- 10/10: Wild Western wear spirit day for Book Fair
- 10/10: Book Fair family night 3-6
- 10/12: Patterson Farms field trip

Reading

- Students will work on describing setting, characters, and problem and solution in a story

Math

- Students will learn that the position of a numeral affects its value, as well as working on expanded form with building numbers using tens and ones

Writing

- Students will continue working on personal narratives and adding emotions and making writing special

Social Studies

- Students will learn about the lifecycle of pumpkins as well as explore and investigate pumpkins
