

IMPORTANT

Dear Sixth grade student and parents/guardians,

We'd like to welcome your child to the Mars Hill team. Although this is a most unusual start to the 2020-2021 school year, we are excited to have you. We know you probably have lots of questions. This packet was designed to give you essential information for how to get started with remote learning and hopefully answer some of those questions. **We also request the following from you as soon as possible, preferably before August 17th (first remote day).**

It is very important that we have communication with each other during remote learning, Each teacher will be sending out a weekly blast to keep parents informed of their child's weekly learning. In order to ensure that you are getting our weekly emails, please send an email to your child's homeroom teacher. You will find your child's homeroom teacher listed on their schedule. **Please email that teacher the following information.:**

1. Your child's first and last name (very important)
2. email where you would like to receive updates
3. any additional emails

Homeroom teacher emails:

Anissa Haney
Elizabeth Stamey
Deanna Jones
Taylor Hammill

We are looking forward to a great year. Please read through the next few pages to ensure a successful transition to middle school. Remember, we are all going through this situation together. We are here to support you and your child in any way that we can.

Warmest regards,
The Mars Hill Team
