

US HISTORY TIMELINE

Create a timeline using the 15 items from US History listed below. Your timeline must include the following for each item: 1) name of the event 2) year the event occurred 3) photo/image of the event.

Timelines will be graded as follows:

- 1 point for the name of the event
- 1 point for the year the event occurred
- + 1 point for the photo/image of the event
- 3 points for each item listed
- X 15 events
- 60 points total

Timelines must be completed electronically. There are several programs that can be used to create the timeline. A few websites are also listed below.
