Classroom Tips

- *Don't be afraid to make mistakes or get an answer wrong. That's how we learn and why we're here!*
- *Turn your phone off and leave it in your locker. We'll be too busy to use them anyway. 😊*
- *Bring your 100% to this classroom every day. I will do the same for you.*
- *Be kind – you never know what someone else might be going through.*
