

Electronic Transcripts Sent to Schools of Your Choice!

Current Caldwell County Schools students may complete electronic transcript requests.

<https://caldwellinc.scriborder.com>

We are able to send encrypted electronic transcripts to the colleges and universities where you are applying, as well as notify you once the transcripts have gone out.

This process is free of charge to current CCS students, including early grads.

You can also access this page by

- going to the Hibriten webpage
- clicking on the "Transcripts" button halfway down the page
- clicking on the backpack representing current student requests

If you are using CFNC.org, you DO NOT need to use this site for transcripts.
