Dear Band Parents:

Welcome back to the William Lenoir Middle School Band Family! I am delighted that your son or daughter will be participating in our seventh grade band for this school year. I am very excited about being your child's band director and have been looking forward to this experience all summer long.

Band is both a group and an individual activity. Each student must be able to play his or her part alone, and also with the entire band. One unprepared student can harm the group's performance. Proper balance and sound cannot be achieved without each member doing his or her best at all times. For these reasons, I expect each student to practice as much as possible at home every day. You have made an expensive investment in the purchase of an instrument and your son's or daughter's success depends greatly on this practice time. I need your support and assistance in this matter.

Your son or daughter will need several items for their band class. Every student will need a good quality instrument, a band methods book (**We will be starting with Essential Elements Book 1 for the first couple of months, so please make sure your child has this book from last year**), pencils, reeds for woodwind instruments (VanDoren size 2-1/2 or 3), valve oil for brass instruments, drum sticks for percussion, and a stand (for at home practicing). Students will need these supplies at the beginning of school, and should bring all of these items (except the stand) to class everyday.

This year we continue to feel the excitement that comes with the reward of hard work. The Seventh Grade Band will be presenting three concerts. Our Sixth Grade Band will join us for the two performances in 2024. ***For your convenience, a schedule is attached which I hope you will keep for future reference as to dates and times required for these students. These concerts are required activities and unexcused absences will result in a loss of band awards and could result in dismissal from band.***

Student grades will be based on playing and written tests and daily playing in class. I am available most mornings after 7:45 and afternoons until 4:00 for play-offs and extra help. Discipline will be handled on an individual basis following the attached plan. A daily participation grade will also be determined through the **student having his/her band instrument, music and pencil in class each day.**

Please feel free to call me at school or home if I may be of assistance to you in helping your son's or daughter's band progress. You can also reach me through email at tereid@caldwellschools.com. Thank you for your support and for the privilege of working with your son or daughter this school year. Together, we can make this a meaningful and successful year in band and in life.

Please fill out and sign the Parent/Guardian information form in the back of this packet and return it with your child by Friday September 1, 2023. All forms will be counted as a test grade.

Musically,
Terry Reid
Band Director
