2. Statement of Inclusion/Applicability

These General Terms and conditions are applicable to all Bid Invitations issued by the Caldwell County Schools Child Nutrition Department, and by this inclusion, they become an integral part of any contract which is awarded, or purchase order which is issued in association with this Bid Invitation.

3. General

The section titles contained in this General Terms and Conditions document are for convenience and reference only, and in no way define, describe, extend, or limit the scope or intent of the provisions of any section of this document. The term "Bid" and "Proposal" may be used interchangeably.

Unless otherwise stated, any listing of factors or criteria in this document does not constitute an order of preference or importance.

The term "contract," as used in this document, means the comprehensive collection of:

- a) this General Terms and Conditions document, including any attachments and or amendments thereto,
- b) the Item Specifications included in the Bid Invitation and any subsequent addenda thereto,
- c) the bidder's signed Bid Certification sheet, which must be completed, signed by an authorized representative of the bidding entity, and returned with the bidder's response, along with this ENTIRE Terms and Conditions document and all other forms and information collection pages included with this Bid Invitation,
- d) the bidder's response to the Bid Invitation,
- e) the bidder's Notice of Award document,
- f) And any additional terms, conditions, or instructions issued by any member(s) of the Caldwell County Child Nutrition Department

Collectively, these documents represent the entire agreement between the parties.

4. Contract Time Period

The time period for purchases covered by a contract resulting from an award under this bid is stated in the Bid Certification. The Caldwell County Schools Child Nutrition Department reserves the right to award the bid to a vendor for a longer initial term period than the time period stated in the Bid Certification if it is determined to be in the best interest of the Caldwell County Schools Child Nutrition Department. Unless otherwise indicated in these General Terms and Conditions, all bid pricing will be firm throughout the entire contract period.

Upon mutual written agreement of both parties, this contract may be extended beyond the expiration of the contract time period in accordance with section #44 of this General terms and Conditions document entitled "Extension Clause."

The transfer, assignment, or subcontracting of contracts is prohibited, and the bidder agrees not to sell, assign, transfer, convey, or subcontract any portion of this contract resulting from this Bid Invitation without the prior written consent of the Caldwell County Schools Child Nutrition Department.

5. Addendum

In the event that any changes to this Bid Invitation occur subsequent to the mailing or other delivery of the original Bid Invitation, the changes or corrections to this Bid Invitation will be made by addendum, and any updated information contained in any addendum will prevail over the information contained in the original Bid Invitation or any previous addendum. Each addendum will be mailed to all entities that are known to have received a copy of this Bid Invitation. The Caldwell County Schools Child Nutrition Department is the sole authority for the issuance of any addendum related to this bid. Any communications from any person or entity other than the Caldwell County Schools Child Nutrition Department regarding any matters related to this bid are invalid and will have no influence on this Bid Invitation.

Each addendum must be acknowledged on the acknowledgement form provided with the addendum. Any required acknowledgement form must be submitted along with the submission of any bid response.

6. Specifications

Catalog numbers, brand names, or manufacturer's product or reference numbers used in the item specifications are intended to be descriptive, not restrictive. These references, as well as "approved brands" listed, are intended to identify and indicate the type of product being sought, and establish the level of quality desired. If any conflict exists in the item specifications between the product descriptions and any brand names or model or reference numbers used, the product descriptions will override the brand names or model number references.

In most cases, bids on brands of equivalent nature and quality will be considered, provided they are regularly produced products from a reputable manufacturer. However, in some cases, Caldwell County Schools Child Nutrition Department may find it advantageous to standardize equipment/ and or supplies by manufacturer in order to achieve efficiencies in procurement, repair, and operation, to match existing stock, or to satisfy other requirements. In these cases, preferences will be given to the specific products identified as "approved brands" especially if all other evaluation factors are deemed to be equal. For this reason, where specific brands or models are identified, it is preferable for the bidder to bid on the exact item specified, in addition to an alternate brand or model where desired.

All bids must identify the manufacturer, brand, model, etc. of the article being offered. "**Pre-Approved Equal**" Brands may be allowed where indicated. To bid on "Pre-Approved Equal" items rather than any "approved brand" specified, the bidder must supply a complete description and sufficient data for the Child Nutrition Department to properly analyze the product being bid. Samples may be requested for items other than "approved brands". These "Pre-approved Equal" brands must be approved by Child Nutrition Department **before** the bid opening. Caldwell County Schools Child Nutrition Department reserves the right to reject approving any brand submitted if the Child Nutrition Department does not have sufficient information or testing conducted in order to deem the product as a "Pre-approved Equal".

If the bidder fails to identify the manufacturer, brand, model, etc. for any item being bid on, the Child Nutrition Department will assume the bidder is bidding on **the exact brand and model identified in**

the specification, and if awarded, the vendor will be required to furnish the exact brand names, models, etc. as specified. Substitutions will not be allowed.

The apparent silence of the specifications as to any detail or the apparent omission from any specification of a detailed description concerning any point shall be regarded as meaning that only the best communication practices shall prevail. All interpretations of the specifications shall be made on the basis of this statement.

If you discover or suspect error in the item specifications in this Bid Invitation, please note it as part of your bid response. We will attempt to correct errors for future Bid Invitations.

7. The Buy American Provision

Section 104(d) of the William F. Goodling Reauthorization Act of 1998 requires schools participating in the NSLP and the SBP in the contiguous United States to purchase, to the maximum extent practicable, domestic commodities or products for use in meals served under the programs. The legislation defines "domestic commodity or product" as one that is produced in the United States and is processed in the United States, substantially using agricultural commodities that are produced in the United States. The report accompanying the legislation stipulated that "substantially" means over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.

Additional Product Requirements: No imported product is permissible when an acceptable domestic product is available, with the exception of pineapple. Each permitted imported product other than pineapple must be pre-approved by the Caldwell County Schools Child Nutrition Department.

8. Bid Evaluation and Award

All bids received in response to this Bid Invitation which are submitted in accordance with the instructions and restrictions contained in #1 of this General terms and Conditions document entitled "Bid Preparation and Submission Procedures" will initially be considered for award; however, initial consideration of any bid will not constitute an assessment of its meeting the necessary qualifications, and any bid may be disqualified at any time during the process of evaluating bids for failure to meet any other terms or conditions contained anywhere else in the Bid Invitation.

The Child Nutrition Department reserves the right to waive any or all bidding irregularities, formalities, or other technicalities, to be the sole and independent judge of quality and suitability of any products offered, and may accept or reject any bid in its entirety, or may reject any part of any bid without affecting the remainder of that bid, and may award the individual items on this bid in any combination or any way to best serve the interests of its members as it perceives those interests to be in its sole discretion.

It is not the policy of Caldwell County Schools Child Nutrition Department to purchase on the basis of low bid price alone. All bid items are subject to evaluation and approval by the Child Nutrition Department. In evaluating the bids received and determining the best value, the Child Nutrition Department may consider any combination of the following criteria: (1) the purchase price; (2) the reputation of the vendor and of the vendor's goods and/or services; (3) the extent to which the goods and/or services meet the needs of the Caldwell County Schools Child Nutrition Department; (4) the vendor's location, service, and delivery capabilities; (5) the vendor's past performance with Caldwell County Schools; (6) student preferences; (7) the warranties offered and the bidder's warranty service history; (8) the probability of continuous availability of the goods/and or services offered; (9) the impact on the ability of the Caldwell County Schools Child Nutrition Department to comply with any applicable laws or rules; (10) the total long-term cost to the Caldwell County Schools Child Nutrition Department to acquire the vendor's goods and/or services; (11) packaging or the products and in some cases preferences is given to a vendor who provides all the components relative to the complete

package, and (12) any other relevant factor that a public or private entity could consider in selecting a vendor.

It is understood that the Caldwell County Schools Child Nutrition Department may use all means at their collective disposal to evaluate the bids received on these criteria, and the final decision as to the best overall offer, both as to price and to suitability of the products and/or services offered to fit the needs of the Caldwell County School System, will solely rest on the Child Nutrition Department of Caldwell County.

Unless otherwise indicated in this Bid Invitation, “all or nothing” bids are not acceptable and will be rejected. The bidder must be willing to accept a partial award for any combination of the items and/or services bid, and must be willing to share the business with any other successful bidders.

The successful bidder(s) will be notified by “Notice(s) of Award” issued by the Caldwell County Schools Child Nutrition Director.

The Child Nutrition Department of Caldwell County Schools reserves the right to require a performance bond as it is deemed necessary.

B. General Provisions

9. Quantities

Quantities reflected in this Bid Invitation are estimates based on the projected needs for Caldwell County Schools during the contract period. Quantities are the best estimate of anticipated needs available at the time of publication of this Bid Invitation, but the accuracy of this estimate of these quantities may be affected by numerous factors including but not limited to, budgetary adjustments, availability of government commodities or other subsidies, changing market forces, unintentional errors or omissions, and changes in school participation. Actual needs may be greater or less than the estimated quantities provided.

Vendors will be notified of significant changes in the estimated quantities, as they become known through the bid period.

Successful bidders will be required to monitor consumption rates and bring any exceptions to the attention of the Caldwell County Schools Child Nutrition Directors as soon as possible. The Child Nutrition Director will communicate slow-moving items to its schools if notified by the vendor. Except for conditions discussed within section #24 of this document entitled “Force Majeure,” vendors are required to maintain sufficient inventories to cover the needs of the Caldwell County School System with only minimal, occasional, and temporary inability to provide products on a timely basis. The bidder is responsible for clearly noting any differences in proposed packaging and/or units of measure in the bid response, and the bidder shall understand that if the item in question is awarded to the bidder, the quantity specified for that item will be adjusted to achieve an approximately equivalent amount of the product.

In cases where other price is requested for comparison purposes (e.g., "portion price" or "price per ounce"), such price is for comparison purposes only. Purchases will be made in the increments of the unit of measure specified. In the case of any discrepancy or error in comparison price calculations, the price for the unit of measure specified will prevail. Excessive errors in comparison price calculations will be sufficient grounds for rejection of the entire bid.

"Discount from Catalog" Bid Invitations require a single discount percentage to be applied to all items in the bidder's published catalog, which must be supplied with the bid response.

"Cost Plus" bids will not be accepted unless otherwise requested in this Bid Invitation.

If during the term of the contract, a successful bidder's net prices to any or all of its other customers in similar market circumstances for any of the same items awarded under this Bid Invitation are increased and proof can be provided, it is understood and agreed that the benefits of such price increase shall be extended to the Caldwell County Schools Child Nutrition Department after time to verify and make changes in its accounting system.

If during the term of the contract, a successful bidder's net prices to any or all of its other customers in similar market circumstances for any of the same items awarded under this Bid Invitation are reduced below the contracted price, it is understood and agreed that the benefits of such price reduction shall be extended to the Caldwell County Schools Child Nutrition Department.

Repeated failure to meet delivery dates will constitute a breach of contract by the vendor, and may result in the initiation of actions covered in section #23 of this General Terms and Conditions document entitled "Remedies for Non-Performance of Contract, and Contract Termination" and the associated financial impacts attached thereto, as well as jeopardize any future business from the Caldwell County Schools Child Nutrition Department.

In the event the vendors uses multiple distribution centers, the Child Nutrition Department will have ONE CONTACT PERSON for overall contract management relative to any contract resulting from any award under this Bid Invitation and the Child Nutrition Department WILL NOT be required to deal with multiple vendor contracts for overall contract management.

All products in the Child Nutrition Departments' warehouse at the time of any such cancellation must be picked up and credit issued. Latent defects discovered after delivery and acceptance of any products may result in revocation of the acceptance.

By submission of a bid, the bidder warrants that the bidder is an authorized dealer, distributor, or manufacturer for the product(s) being offered, that all items bid conform to the specifications for which the items are being offered, and that all items supplied under any contract related to this bid Invitation will be free from all defects in material, workmanship, and title.

18. Withdrawal or Modification of Bid

Subject to the restrictions discussed below, the Child Nutrition Department will consider a WRITTEN request from any bidder that the bidder be allowed to withdraw any bid submitted, but ONLY IN ITS ENTIRETY, and ONLY UNTIL THE DUE DATE AND TIME FOR BID SUBMISSION as stated in the Bid Certification included with this Bid Invitation. No bid may be withdrawn after the date and time that bids are due as specified in the Bid Certification. Only bids that have been submitted consistent with the instructions relating to packaging and labeling of the bid will be considered for withdrawal.

If there is any question in the mind of the Child Nutrition Director or designee regarding the identity of the bid or the identity of the bidder relation to any request for the withdrawal of any bid, the Child Nutrition Director will refuse to allow the withdrawal of the bid. Withdrawal of any bid allowed by the Child Nutrition Director will require the completion and signature of a written receipt by the bidder's representative satisfactory to the Child Nutrition Director before the bid will be released. The decision of the Child Nutrition Director in relation to any matters concerning bid withdrawal will be final.

If a bidder requests to withdraw a bid and the Child Nutrition Director allows the withdrawal of the bid, the bidder may resubmit the bid, or submit a new bid, up until the due date and time for bid submission as stated in the Bid Certification included with this Bid Invitation, provided any new submission meets all the qualifications of bid submission included in these General Terms and Conditions.

19. Substitutions

The Child Nutrition Department will not accept any substitutes after items(s) have been awarded as specified, unless such substitutions are deemed to be in the best interest of the Caldwell County Schools Child Nutrition Department, and unless prior agreements have been reached and reduced to writing regarding such substitutions. Substituting without the prior approval of the Child Nutrition Director or designee will constitute a breach of contract by the vendor which may result in the initiation of actions covered in section #23 of this General terms and Conditions document entitled "Remedies for Non-Performance of Contract, and Contract Termination" and the associated financial impacts attached thereto, and may jeopardize any future business from the Caldwell County Schools Child Nutrition Department.

20. Promotions

Any promotional items that you may offer to help sale the product will be accepted.

21. Deviations from Item Specification or General Terms and Conditions

Any and all limitations, expectations, qualifications, special conditions, or deviations from these General Terms and Conditions or any of the item specifications, including the offering of any alternate to the 'approved brand and/or model' (where identified) must be clearly noted in detail by the bidder at the time of submission of the bid. The absence of such limitations, exceptions, qualifications, special

conditions, or deviations being submitted in writing with the bidder's response will hold the bidder accountable to the Child Nutrition Services to perform in strict accordance with all these General Terms and Conditions and all the item specifications as written, including any such limitations, exceptions, qualifications, special conditions, or deviations with the bid response may place the bidder at a competitive disadvantage or otherwise prevent the Caldwell County Schools Child Nutrition Department from considering to bid on the affected items(s).

Any deviation from any of the item specifications, including the delivery of any product other than the specific brand and model of the product awarded, will be grounds for rejection of the product(s) when delivered, and will expose the vendor to the remedies identified in section #23 of this General Terms and Conditions document entitled "Remedies for Non-Performance of Contract, and Contract Termination" and may jeopardize future business from the Caldwell County Schools Child Nutrition Department.

22. Awards

Contracts shall be awarded pursuant to this Request of Bids on the Bid Sheet. Decisions to award contracts pursuant to this Request for Bids shall be based on the following:

23. Contract and Purchase Orders

A response to this Bid Invitation is an offer to contract with the Caldwell County Schools Child Nutrition Department based upon the Item Specifications and the General Terms and Conditions contained in the Bid Invitation. Bids do not become contracts unless and until they are both accepted by the Child Nutrition Department through an Award Notice to the bidder, and put into effect by the issuance of a Purchase Order(s) signed by an authorized representative of Caldwell County Schools Child Nutrition Department.

This contract shall collectively include (1) the General Terms and Conditions and the Item Specifications included in the Bid Invitation and any subsequent addenda thereto, (2) the bidder's signed Bid Certification sheet and any subsequent addenda thereto, (3) the bidder's entire response to the Bid Invitation, (4) the bidder's Notice of Award document, (5) and any additional terms, conditions, or instructions contained in each individual Purchase Order. Invoices must be mailed directly to the Child Nutrition Department.

The Caldwell County Schools Child Nutrition Department will not be held responsible for any products delivered or invoiced without a valid current Purchase Order Number.

The payments stated on each individual Purchase Order will be the controlling factor in the determination of payment terms. Each Invoice should include the vendor's normal payment terms in the event that any Purchase Order fails to address the subject.

In any case, payment will be made only after satisfactory delivery and acceptance of merchandise in good order, including the necessary documentation indicated above, and only after receipt of a correct Invoice form the vendor, including the necessary information indicated above.

At the option of the Child Nutrition Department, invoices with incorrect prices or other errors or inconsistencies will not be paid until corrected, whether by credit memo(s) or issuance of a corrected invoice. At the option of the Child Nutrition Department, invoices may be corrected upon receipt and payment may be made based upon their corrections.

25. Remedies for Non-Performance of Contract, and Termination of Contract

If the vendor cannot comply with the terms and conditions in fulfilling its contract as anticipated, the vendor must supply the same products or services contracted from other sources at the contract price. The vendor's delay in the above will constitute the vendor's material breach of contract, whereupon the Caldwell County Schools Child Nutrition Department may terminate the vendor's contract for cause as provided by the remainder of this section.

Unless this contract is extended by mutual agreement of the parties beyond the expiration of the contract time period as stated on the Bid Certification sheet, this contract shall terminate upon the expiration of the contract term as stated on the Bid Certification sheet.

If any delay or failure of performance is caused by a Force Majeure event as described in section #24 of this General Terms and Conditions document entitled "Force Majeure," the Child Nutrition Department may, in its sole discretion, terminate this contract in whole or part, provided such termination follows the remaining requirements of this section.

Except as otherwise provided for within the General Terms and Conditions of this document, this contract may be terminated in whole or in part by either party in the event of substantial failure by the other party to fulfill its obligations under this contract through no fault of the terminating party; provided that no such termination may be implemented unless and until the other party is given (1) at least ten (10) days written notice (delivered by certified mail, return receipt requested) of intent to terminate, and (2) an opportunity for consultation with the terminating party, followed by a reasonable opportunity, of not more than ten (10) working days, to rectify the defects in products or performance, prior to termination.

Valid causes for termination of this contract will include, but are not limited to:

- a) the vendor's failure to adhere to any of the provisions of the General Terms and Conditions of this Bid Invitation,
- b) the vendor delivering any product(s) that fail to meet the Item Specifications included in this Bid Invitation relating to the awarded product(s)
- c) the vendor delivering any substitution(s) of product(s) different than those originally bid and awarded without the prior written approval of the Child Nutrition Director or designee,
- d) the vendor's failure to meet the required delivery schedules as identified in the contract documents, or
- e) The vendor's violation of any other provision contained within these General Terms and Conditions or any attachment thereto which provides for contract termination as a remedy.

Notwithstanding anything contained in this section, in the event of the vendor's breach of any provision in this contract, the Child Nutrition Department reserves the right to enforce the performance of this contract in any manner prescribed by law or deemed to be in the best interest of its members, including, but not limited to, the purchase of other products of like type and quality from other sources in the open market. In the event the Child Nutrition Department elects to purchase other products from other sources, the Child Nutrition Department will invoice the vendor for any increased costs to the Caldwell County Schools Child Nutrition Department, and the vendor agrees, by submission of a bid response, to promptly pay any such charges invoiced.

In the event the Caldwell County Schools Child Nutrition Department terminates this contract, in whole or in part, for any reason provided for within the contract, the Child Nutrition Department reserves the right to award to canceled contract, or any portion thereof, to the next lowest or best bidder as it deems such award to be in the best interest of its members.

Any contract termination resulting from any cause other than a Force Majeure event will deemed valid reason for not considering any future bid from the defaulting vendor.

In the performance of this contract, time is of the essence and these General Terms and Conditions are of the essence.

26. Force Majeure

The term Force Majeure shall include, but is not limited to, governmental restraints or decrees, provided they affect all companies in the vendor's industry equally and are not actions taken solely against the vendor; acts of God (except natural phenomena, such as rain, wind or flood, which are normally expected in the locale in which performance is to take place); work stoppages due to labor disputes or strikes; fires; explosions; epidemics; riots; war; rebellion; or sabotage.

The parties to this contract will be required to use due caution and preventative measures to protect against the effects of Force Majeure, and the burden of proving that Force Majeure has occurred shall rest on the party seeking relief under this section. The party seeking relief due to Force Majeure will be required to promptly notify the other party in writing, citing the details of the Force Majeure event, and will be required to use due diligence to overcome obstacles to performance created by the Force Majeure event, and shall resume performance immediately after the obstacles have been removed, provided the contract has not been terminated in the interim.

Delay or failure of performance, by either party to this contract, caused solely by the Force Majeure event shall be executed for the period of delay caused solely by the Force Majeure event, provided the affected party has promptly notified the other party in writing. Neither party shall have any claim for damages against the other resulting from delays caused solely by Force Majeure.

The Child Nutrition Department will not be responsible for any costs incurred by the vendor because of the Force Majeure event unless the Child Nutrition Department has requested, in writing, that the vendor incur such costs in connection with any delay or work stoppage caused by the Force Majeure event, and the Child Nutrition Department has agreed in such writing to incur such additional costs.

Notwithstanding any other provision of this section, in the event the vendor's performance of its obligations under this contract is delayed or stopped by a Force Majeure event, the Child Nutrition Department shall have the option to terminate this contract in accordance with section #23 of this General Terms and Conditions document entitled "Remedies for Non-Performance of Contract, and Contract Termination." Furthermore, this section shall not be interpreted as to limit or otherwise modify any of the Child Nutrition Department's rights as provided elsewhere in this contract.

The prospective lower tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this form that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
