STUDENT-PARENT-SCHOOL COMPACT

The Caldwell County School Board, along with Gamewell Elementary School, believes that the education of children is an ongoing cooperative partnership between the home and the school. Parents are their child's first teacher, therefore, the continued involvement of parents in the educational process is most important in fostering and improving educational achievement. Learning takes place when there is a shared effort, interest, and motivation. We encourage all students, parents, teachers, and principals to sign the Share Accountability Pledge.
