

Dear Parent/Guardian,

Caldwell County Schools and West Caldwell School are engaged in an ongoing continuous improvement process and parents are an integral part. Parent feedback on the Cognia Parent Survey will help target areas of improvement and effectiveness at each school and at the district level. The survey also provides a means for learning about parent expectations of a high-quality school and school system.

Your opinion is important to us, and we ask that you take the time to complete the survey. The online survey will be available September 28 through October 8. To complete the survey, please click on this link:

Please be assured that your responses to this survey are anonymous, and your honest opinions are appreciated. Survey results will be used to guide our district and schools as we plan for the future.

Thank you for your continued interest in your child's education and your participation in completing this survey.

Sincerely,  
*Craig Styron*
