

Caldwell County Schools

Memo

To: Technology Plan Update

From: Craig Bryson

Date: July 1, 2016

Re: Technology Plan

Caldwell County Schools has decided to continue the technology plan at the same rate as indicated until July 2018. We are also focusing on the Strategic Plan to guide the system. Caldwell County Schools will begin working on the new NCDPI initiative: North Carolina Digital Learning Plan by utilizing the NC Digital Learning Progress Rubric for the District and Schools.
