Shared Accountability Pledge 2023-2024

The Caldwell County Board of Education and Davenport A+ School have adopted Shared Accountability Standards (Policy 7532) that establish promotion requirements for students. The Board of Education and the Davenport A+ staff strongly believe that learning takes place when there is shared effort, interest, and motivation by students, parents, and staff. Parents play a vital role in their children's success at school, and it is critical that parents work with teachers to ensure that their children meet higher academic standards. We encourage all students, parents, teachers, and principals to sign this Shared Accountability Pledge.
