HOSPITALITY AND TOURISM (HOSP)

BAKER

Health Science Education provides a comprehensive program to meet present and projected needs for the healthcare industry. Curriculum concepts incorporate technological advances to motivate students and prepare them to pursue a career as a future health professional. Emphasis is placed on the various domains of healthcare and related skills such as: employability skills, prevention (wellness), diagnostics, therapeutics, and rehabilitation. Students are encouraged to pursue work-based learning opportunities that include job Shadowing, internships, and apprenticeships to support their areas of interest in healthcare.

Education Level	Grade	English	Math	Social Studies	Science	Health/PE and Other Electives	Elective	Elective	Elective
Secondary	Courses listed in BOLD print are required for graduation.

Career and College Promise College Transfer Course Information									
Career and College Promise (CCP) College Transfer Courses are available to Caldwell County Schools' students. These courses allow high school students to earn high school and college credit at the same time. Some classes are taught at each high school and some are offered on the main campus of Caldwell Community College and Technical Institute in Hudson, NC. To be eligible to take these courses, students must:									
<ul style="list-style-type: none"> • Be high school juniors or seniors; • Have an unweighted cumulative grade point average of 2.8 or higher; or demonstrate college readiness in Reading, English and Mathematics on an approved assessment or placement test (see CCTI website for details). 									
Potential college savings available by taking CCP courses during high school: \$715 ***based on \$71.50/credit hour***									

POST-SECONDARY EDUCATION

Baker: Post-secondary schools offer culinary certificates, two-year degrees and four-year degrees. However, on-the-job training and apprenticeships offer practical kitchen experience.
