Join students from Stark County and beyond for music making and fun in one of our three string and full orchestra ensembles. Auditions take place **August 27-29 & September 5-6** at the Zimmerman Symphony Center and must be reserved ahead of time. More auditions times/days may be added once the first slots are filled. For more information and to sign up for your audition visit, <https://www.cantonsymphony.org/cys-audition-information/>

The **Canton Youth Strings** rehearses every Monday evening from 5:30-6:30pm and performs beginning and intermediate string repertoire. All beginning and intermediate string players are allowed to participate in CYS Strings if they have basic skills and sight-reading abilities. However, an audition is still required for placement. ***This ensemble still has plenty of room for all beginner string instruments! The audition process is minimal, and we'd love to see you there!***

The **Canton Youth Symphony Advanced Orchestra** rehearses every Monday evening from 6:00 to 8:30 and performs diverse and challenging pieces from the standard orchestral repertoire. ***All instruments are encouraged to audition. However, we are most in need of trombone, violin, bass, and clarinet players!***

The **Canton Youth Symphony** rehearses every Tuesday evening from 6:00 to 8:30. The group begins the year by performing educational arrangements of the standard orchestral repertoire and works its way up to original editions of major works by the end of the year. ***All instruments are encouraged to audition. However, we are most in need of trombone, oboe, viola, cello, bass, horn, tuba, and flute players!***
