

February 28, 2020

Greetings.

As we begin March, the Fair has come to town. I hope you take advantage of the day off to rest, and if possible, visit the fair this week. I am looking forward to seeing our students with their FFA projects and getting a corndog.

We are Hiring! Please share our job posting with people you know as we work to replace our vacancies: <https://www.edjoin.org/Home/Jobs?countyID=13&districtID=215>

Coronavirus: There is much information about the disease. The best prevention is the same as the common cold: Wash your hands, cover your cough. Visit our webpage for more details and links.

A Few Celebrations:

- Southwest High School's Academic Decathlon Team won the county competitions and is going on to the State competition.
- Central Union High School's Mock Trial Team won the county competition and is going to the State competition.
- Kudos to SAVAPA for their Wizard of Oz Performance. It was terrific.
- Congratulations to all our winter sports teams that made it to the playoffs. Its always great to extend the season and play at high levels.
- 80 Certificated staff and 62 Classified staff had PERFECT ATTENDANCE in January! Thank you for setting the pace!

Save the Date (see the attachments):

- March 11, 6:00 PM at SHS, Cannon Theater for a Parent Meeting on the Dangers of Vaping. Please share the information about the Vaping meeting with your students, parents and any other neighbors.
- March 26-28 the Mobile Vietnam Memorial Wall Traveling exhibit will be at Bucklin Park. Please note there is a smaller mobile version as well that will pass by each school on March 26. There is an essay contest with a prize as well. The due date is March 6. Organizers need volunteers for various jobs. Please see the attachment for details. They must be 18, so it limits students, but maybe you know family or friends that might be able to help.

Thanks for all you do for our students. Classrooms are the center of the District. All jobs are to support the work of our schools and classrooms!
