Summer is near!

This is Lisa Bratton, the Families in Transition Manager and McKinney-Vento Liaison at Charlotte County Public Schools. It is hard to believe, but we are already in the home stretch of our school year. Summer can be a time to recharge and refresh our minds and bodies. Planning activities for our children over the break can be challenging and expensive, but there are resources in the community to help. As a reminder, students who experience an episode of homelessness during a school year, stay in our program until June 30, 2024. If a family is still living in a transitional situation, please contact me. I want to ensure that all families have the necessary resources and support over the summer holiday.

HOW TO REACH ME

Last Day

I'm a little bit excited.
I'm a little bit sad.
I'm a little bit nervous.
I'm a little bit glad.
I'm a little bit older.
It's the end of the year.
I'll miss this class.
I'm glad I was here.
