

**OUR VISION** for the future is to get a job that is enjoyable and interesting.

We hope...

- To be passionate about our jobs and make a difference in the world.
- Our jobs will be challenging in just the right way so that we never stop learning.
- To make a good living so we can live independently.
- We can take care of our needs and many of our wants.
- To have an interesting life outside of work, where family and friends will always be important.

## OUR VALUES

- We want to grow up to be adults who are: Responsible ~ Respectful ~ Trustworthy ~ Fair ~ Cooperative ~ Positive ~ and have Good Manners

**OUR MISSION** to learn things we'll remember, research in lots of ways, learn to be a good leader and team member, to have creative and logical ideas, and make reasonable goals.

**OUR STRATEGIES** to help us accomplish this mission:

- Use the values above, everyday
- Work on focusing and listening
- Always tell the truth, especially if you make a mistake
- Show Grit
- Do what you have to do so that you can have the classroom life you want to have
