FCA is a non-denominational, nationally affiliated organization that provides a spiritual outlet for students. FCA's weekly, student-led meetings are high energy, youth group style events, generally focused on important topics and issues faced by today's teenagers. FCA's primary purposes include providing relevant insight and perspective into teenage areas of concern, integrating the Christian faith into everyday life, providing support for students seeking to live a life of integrity, and serving as a positive influence on campus. FCA is known for its creative special events as well as an opportunity for students to interact with each other in a discussion setting.
