

**Identification & Referral
By Any School Staff**

School Administrator &/or SRO confirm use &/or possession
Mental Health Staff is advised to identify potential mental health concerns
including history of abuse and community agencies involved

School administrator determines pathway

If a serious &/or repeat offense, a
referral is made for SERT review
w/10 days suspension

Substance Abuse Assessment and
services are recommended

SERT reviews and stipulates
services in lieu of expulsion or
recommends a PDR &/or TA

If first offense and no distribution or
hard drugs, SOS is offered to
student/parent and
suspension days are reduced

SOS Contract is signed and sent to
Families First for processing

**CBHC provides substance
abuse assessment and
services**
