Grading Policy

This school year, students will be graded using a total points system. Under this system, all assignments will be given a predetermined point total which will count towards the overall quarter grade.

Math Enrichment

Students are encouraged to attend math enrichment. It will be offered on Th 7:50-8:50 AM and T/W 4:10-5:00 PM. More info with the start date will be sent home soon. The goal of enrichment is to refine your child's math skills. If your child is not a walker, please have their ride scheduled to arrive no later than 5:00 PM.

COURSE DESCRIPTION

Grade 6 math focuses on the following:

- (1) connecting ratio and rate to whole number multiplication and division and using concepts of ratio and rate to solve problems;
- (2) completing understanding of division of fractions and extending the notion of number to the system of rational numbers, which includes negative numbers;
- (3) writing, interpreting, and using expressions and equations; and
- (4) developing understanding of statistical thinking.

Monitoring your child's academic progress in class will help keep them on track. Log on to FOCUS to see grades, attendance, and schedules. Please check FOCUS 1-2 times a week with your child present.

- YOU WILL HAVE HOMEWORK EVERY NIGHT!
- You are expected to review your notes AND complete/correct that day's warm-up work. Due weekly, checked daily. Warm-ups will count as a test grade and will NOT be accepted late.
- If any other assignments are not completed in class, students are expected to complete them at home.

Expectations

Students are expected to come to class ready to learn with needed materials. Students are to: listen attentively and follow directions quickly, respect themselves and others at all times, use their time wisely, make good choices, and ALWAYS TRY!

-Theodore Roosevelt

Attendance

Missing class will likely put your child behind. However, if your child is sick/contagious, they should **STAY HOME**. Please contact the school about their absence, then visit Canvas for the daily lesson. Students are **REQUIRED** to make up any/all missed notes/work.
