

FAST Parent Reports

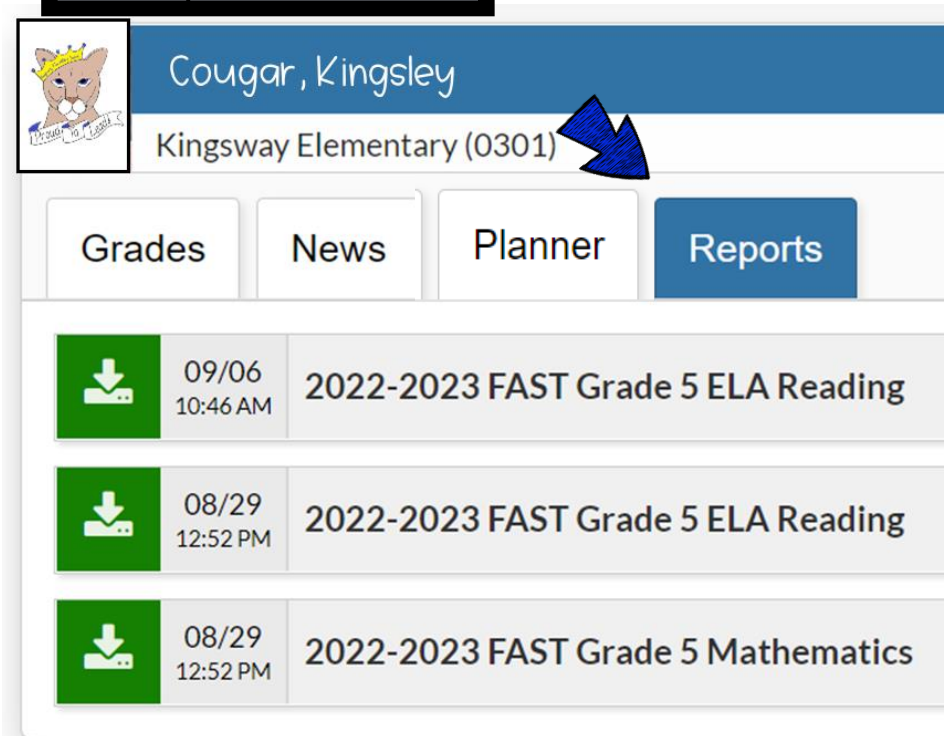

FAST reports for students in **grades 3-5** are now available in the FOCUS Parent Portal. For parents that have created their account, you are now able to sign in and view your child's report. Attached is a screenshot and directions of where to access the reports.

1. Login to Focus Parent Portal

2. Click on your child's name.

3. Click on the Reports tab.

4. Click the box with the test name for score details..
