DECLARATION OF PRINCIPLES

1. Effective employee-management cooperation requires a clear statement of the respective rights and obligations of the parties hereto.
2. It is the intent and purpose of the parties hereto to promote and improve the efficient administration of the District and the well-being of employees within the spirit of the Public Employees Collective Bargaining Act, and to establish a basic understanding relative to providing means of amicable discussion and adjustment of matters of mutual interest.

PREAMBLE

This Agreement is made and entered into between Chehalis School District #302 hereinafter (“District”) and Public School Employees of Chehalis School District, an affiliate of Public School Employees of Washington/SEIU Local 1948 (hereinafter “Association”).

In accordance with the provisions of the Public Employees Collective Bargaining Act and regulations promulgated pursuant thereto, and in consideration of the mutual covenants contained therein, the parties agree as follows.

ARTICLE I

RECOGNITION AND COVERAGE OF AGREEMENT

Section 1.1.

The District hereby recognizes the PSE Association as the exclusive representative of all bargaining unit members as described in Section 1.5., hereinafter referred to as employees. The Association recognizes the responsibility of representing the interests of all such employees.

Section 1.2.

Nothing contained herein shall be construed to include in the bargaining unit the transportation supervisor, assistant transportation supervisor, superintendent, assistant superintendent, director of business and operations, deputy, administrative assistant, secretary, or other like or similar supervisory or administrative positions. Such positions necessarily imply a confidential relationship to the Board of Directors or superintendent of the District pursuant to RCW 41.56.030 (2).

Section 1.3.

Within thirty (30) working days following execution of this contract, the District will provide the Association with complete job descriptions for all employees subject to this Agreement.

Section 1.4.

The District will provide the Association with such amendments, changes, and additions to job descriptions as they may occur from time to time.

1 **Section 1.5.**

2 The bargaining unit to which this Agreement is applicable shall consist of all classified employees
3 filling positions in the general job classifications of transportation driver, fueler, and bus monitor, as
4 presented on Schedule A. All substitute drivers shall be paid at Step 1 - Transportation Driver on
5 Schedule A, with that being the sole provision of this agreement applicable to substitute drivers.
6

7 **Section 1.6.**

8 The District shall, prior to June 30 of each school year, notify each transportation driver and monitor in
9 writing as to the date, time and place for bidding for work for the ensuing school year. The work shall
10 be bid on at the in-service meeting as indicated in the above-mentioned notification. If such notice is
11 mailed, it shall be sent to the employee's most current address on file. It is the employee's
12 responsibility to provide the District with the most current mailing address.
13
14
15

16 **ARTICLE II**

17 **RIGHTS OF THE EMPLOYER**

19
20 **Section 2.1.**

21 It is agreed that the customary and usual rights, powers, functions, and authority of management are
22 vested in the District except as specifically and expressly relinquished by this Agreement.
23

24 **Section 2.2.**

25 The right to make reasonable rules and regulations shall be considered acknowledged functions of the
26 District. In making rules and regulations relating to wages, hours, and matters of working conditions

28 and to the obligations imposed by this Agreement.
29

30 **Section 2.3.**

37 recognize that pursuant to the laws of Washington State, the Board has the responsibility for
38 formulation and implementation of policies and rules governing the educational program and services

46 bargaining unit and the Association are limited to those set forth in this Agreement or provided by
47 Washington statute, and the District retains all functions and rights not limited by the terms of the

- 20

21 **Section 2.7.**

22 Nothing in this Agreement shall limit the District’s right to contract or subcontract work that is in
23 addition to that work normally performed by the employees in the bargaining unit. If the District
24 determines it must alter or eliminate any operation which would reduce or eliminate any position in the
25 bargaining unit, it shall inform the Association and permit the Association the opportunity of input on
26 the matter prior to implementation of such alteration or elimination and/or bargain if required by law.

27

28 **Section 2.8.**

29 During the term of this Agreement, it is expressly agreed that rights of the Board, as contained in this
30 Agreement, may be exercised by the Board without necessity of prior negotiations with the
31 Association either as to the taking of action under such rights or with respect to the consequence of
32 such action. The District reserves the right to require a drug/alcohol test of any employee covered by

43 Each employee shall be assigned to a definite shift with designated times of beginning and ending,
44 with the understanding that an employee may be required to work beyond his/her assigned shift.
45 Transportation drivers will be paid a minimum of one and one-half (1-1/2) hours per a.m. or p.m. run,

7 disaster, etc.), regular employees shall work the District established/announced time schedule with
8 corresponding pay for actual time worked. Regular employees shall be provided with two (2) hours'

18 route assignment of the status of the driver on leave and the anticipated length of time the

20

21 Vacancies greater than thirty (30) consecutive workdays which require a substitute will be
22 offered to a qualified, available bargaining unit employees and awarded on a seniority basis.
23 "Available" means the employee is not scheduled to work a shift that conflicts or overlaps the
24 time of the substitute shift; however, if the employee will gain 30 minutes or more, the
25 employee will be considered available. "Qualified" means the employee has the requisite
26 knowledge and skills to successfully perform the substitute position as determined by the
27 employee's supervisor. Under no circumstances will a regular shift, combined with a substitute
28 shift, exceed eight (8) hours per day. A vacancy shall not exceed two (2) current employees
29 being reassigned using this provision. When a regular employee is working as a substitute
30 within their classification and job title, they shall be paid at the current rate of pay from
31 Schedule A appropriate for the position being substituted. When a regular employee is working
32 as a substitute in a different classification or a different job title within their classification, they
33 will be paid at Step I on Schedule A, except in those instances when Step I is not a higher rate
34 of pay.
35

36 A regular employee who fills in for another regular employee during an authorized leave of
37 absence will retain the right to bid on other routes as his/her seniority and this written
38 agreement allows. Upon the return of the driver from an authorized leave, the replacement
39 driver will return to his/her original route. If the original route no longer exists, the replacement
40 driver will be assigned to a comparable route. If no comparable route exists or the replacement
41 driver does not wish to return to his/her original route, he/she will be assigned to the substitute
42 pool until another route becomes available for bidding.
43

44 **Section 8.14.2.**

45 If no regular employee fills the leave of absence position, a substitute driver may be assigned
46 for a specific period of time. It shall be the responsibility of the employer to inform the
47 substitute driver on the replacement route of the status and anticipated length of employment

1 limitations to the best of its knowledge. The substitute driver fill-in for the on-leave employee
2 shall have no bumping rights and no guarantee of employment.

3
4 **Section 8.14.3.**

5 An employee returning from an extended authorized leave of absence will assume the original

3

4 **Section 14.2.5. Step 5.**

5 The District Board of Directors shall render a decision regarding disposition of the grievance
6 within thirty (30) working days following appeal to the Board of Directors. The Board of
7 Directors reserves the right to summon the employee for an oral statement of the grievance.
8 The employee reserves the right to appear before the Board of Directors to explain the
9 grievance. At any appearance before the Board of Directors, the employee may be accompanied
10 by an Association representative or designee.
11

12 **Section 14.2.6. Step 6.**

13 If no settlement has been reached within the thirty (30) working days referred to in the
14 preceding subsection, and the Association believes the grievance to be valid, the employee may
15 demand arbitration of the grievance. Any dispute, claim or grievance arising out of or relating
16 to the interpretation of the application of this agreement shall then be submitted to arbitration
17 under the Voluntary Labor Arbitration Rules of the American Arbitration Association. If
18 mutually agreed, the parties may submit to arbitration under the Expedited Labor Arbitration
19 Rules of the American Arbitration Association. The parties further agree to accept the
20 arbitrator's award as final and binding upon them.
21

22 In the event of arbitration, each party shall be responsible for costs incurred for their respective
23 arbitration activities and expenses. The costs for services of the arbitrator including per diem
24 expenses, travel and substitute expenses and the cost of any hearing room shall be split equally
25 between both parties.
26

27 **Section 14.3.**

28 The employer shall not discriminate against any individual employee or the Association for taking
29 action under this article.
30

31 **Section 14.4.**

32 Time limits set forth above can be amended by mutual written agreement.
33
34
35

36 **ARTICLE XV**

37 **TIMECARDS**

38
39 **Section 15.1.**

40 Every employee shall complete a monthly timecard, that will be furnished by the District, and return it
41 to the employee's immediate supervisor. This card must contain the exact hours worked each day, be
42 signed by the supervisor, and returned to the Payroll Office as specified by that office.
43
44

45 **Section 15.2.**

46 Timecards will be used for the computation of extra pay, for record-keeping of hours worked, days
47 worked, overtime, all leave days, and unpaid days.

4 work days in the previous employment year.

5
6 **Section 17.5.**

7 For the purposes of calculating pay, transportation employees' actual minutes of assigned and worked
8 time shall be recorded daily, totaled, and rounded up to the nearest fifteen (15) minutes.

9
10 **Section 17.6.**

11 Any employee required to travel in a private vehicle on District-approved business shall be reimbursed
12 for such travel on a per-mile basis at the IRS rate per mile.

13
14 **Section 17.7.**

15 Transportation drivers are required to have a physical examination once every two (2) years, per
16 Department of Transportation requirements, to drive and will be granted up to one hundred fifty dollars
17 (\$150.00) by the District for the cost of this examination.

18
19 The cost of any additional physical examinations required by the District will be paid or reimbursed by
20 the District.

21
22 Transportation Drivers shall be reimbursed for the cost of a commercial license with required
23 endorsements.

24
25 **Section 17.8.**

26 The District agrees to pay the cost for regular employees' flu shots one (1) time per school year. Shots
27 must be acquired during regular employees' non-work hours.

28
29 **Section 17.9.**

30 At such times that drivers are scheduled for supplemental trips or are required to attend mandated
31 Transportation meetings, during the employees' regular work year, the time between their route and
32 the supplemental trip and/or meeting will be paid as time worked. The time paid going from a route to
33 a supplemental trip will be paid at the driver's regular hourly rate. The time paid going from a route to
34 a meeting will be paid at the lower non-driving hourly rate.

35
36 **Section 17.10.**

37 Supplemental trip pay will be at the Schedule A rate of pay per hour. This pay is straight time and
38 covers stand-by time.

39
40 **Section 17.11.**

41 All daily substitute work will be offered to the Transportation drivers who have a.m. or p.m. routes
42 only, not previously scheduled and have no current scheduled route time conflicts or other conflicting
43 district employment, before offering work to substitutes. Extra work including time worked in other
44 district positions shall not cause drivers to go into overtime status. Efforts will be made not to fragment
45 a.m./p.m. routes when making these assignments.

1 **Section 17.12.**

2 The transportation supervisor shall establish routes/driving times that are sufficient to fulfill assigned
3 driver tasks and Transportation Program operation needs.
4

5 **Section 17.13.**

6 In the event an employee loses or gains more than one-half (1/2) hour within the first month of a
7 school year due to route changes, etc., and the loss/gain in time is consistently greater than one-half
8 (1/2) hour for ten (10) consecutive days, the employee will have the opportunity to request a route
9 change with an employee of less seniority providing both employees are deemed qualified by the
10 supervisor for the change.
11

12 **Section 17.14.**

13 The supervisor has the right to deny a request for route change providing the supervisor feels it is in
14 the best interest of the transportation program to deny the request.
15

17 All to and from midday routes shall be allowed one (1) hour minimum for wage and hour purposes.
18 After the one (1) hour minimum, all to and from midday routes shall be rounded up to fifteen (15)

22 Employees shall receive paychecks over a twelve (12) month period. Monthly pay shall be calculated
23 at a fixed rate based on the daily combined shift time(s) established for the employee at the beginning
24 of each school year. The fixed rate will change only at such time that a permanent shift change is
25 initiated by the Transportation Supervisor.
26

27 **Section 17.17.**

28 Rules/regulations and processes for bus routes and supplemental trips. See Appendix A.
29

30 **Section 17.18. Wellness.**

31 The District will pay one-half (1/2) of the employee's individual monthly membership fee for

35 The District will pay up to fifteen (15) hours of overtime for duties within job descriptions covered by
36 this Agreement, provided that such overtime is approved in advance by the Director of Transportation.
37
38
39

40 **ARTICLE XVIII**

41 **EVALUATION**

42 **Section 18.1.**

43 Evaluations shall be made at least once annually, at least ten (10) working days prior to the end of the
44 employee's work year and shall be signed by the appropriate administrator. Additional reports and
45 observations used in the evaluation, other than by the appropriate administrator, shall be identified as
46 to their source on the evaluation form.
47
48

1 **Section 18.2.**

2 Evaluations shall be written in a satisfactory/unsatisfactory checklist format with adequate space
3 provided for supervisor comments. The evaluation will provide specific suggestions and measures
4 which the employee must take to improve his/her performance in each of the areas wherein
5 unsatisfactory performance has been indicated. See Exhibit 2, Employee Evaluation Report -
6 Transportation Driver.
7

8 **Section 18.3.**

9 An employee shall be given two signed copies of his/her evaluation by the evaluating supervisor. One
10 will be retained by the employee, and the other copy is to be returned to the District supervisor. The
11 employee shall sign the District's copy of the evaluation to indicate that he or she has received a copy
12 of the report. The signature of the employee does not necessarily imply that the employee agrees with
13 the contents of the evaluation. In case of disagreement, the employee will have the right to attach a
14 written rebuttal to the evaluation form. No evaluation shall be submitted to the District office, placed in
15 the employee's file or otherwise acted upon without prior copies being presented to the employee. The
16 employee may request a conference with the supervisor for clarification or discussion of issues with
17 which the employee has concerns.
18

19 **Section 18.4. Corrective Action and Probation.**

20
21 **Section 18.4.1.**

22 Should Unsatisfactory job performance(s) require immediate attention, the employee shall be
23 given a written warning citing the reasons for immediate improvement and the corrective action
24 which must be taken by the employee. The employee will be given a timetable to correct the
25 unsatisfactory performance(s). The employee shall be required to sign a copy of the memo
26 acknowledging receipt, not necessarily agreement with its content. A copy of the signed memo
27 will be provided to the Association by the District.
28

29 **Section 18.4.2.**

30 If an employee fails to correct the deficiencies within the timetable period, a formal probation
31 will be enacted. In a meeting with the employee's supervisor, the employee will be given the
32 specific required improvements along with strategies and resources to bring about the
33 improvements, in writing. Both the supervisor and the employee will sign the plan of
34 improvement. The probationary period shall be twenty (20) working days unless the District
35 and the Association agree to a greater or a lesser time period. The employee shall be evaluated
36 at least once in writing during the probationary period and the supervisor shall meet with the
37 employee to discuss the evaluation within two days of such evaluation. The employee will also
38 be evaluated at the end of the probationary period in the same manner. The District will
39 determine whether the employee has satisfied the requirements of the plan of improvement.
40 Failure to satisfy these requirements may result in sanctions up to and including termination.
41

42 **Section 18.4.3.**

43 The initiation of a formal probation is not subject to the grievance process unless the employee
44 is alleging a process violation of Sections 11.7.1. and 11.7.2. The probation process, however,
45 may not be interrupted nor delayed by a grievance action.
46

1 **Section 20.3.**

2 This Agreement may be reopened and modified at any time during its term upon mutual written
3 consent of the parties.
4

5 **Section 20.4.**

6 If any provision of this Agreement or the application of any such provision is held invalid, through or
7 by state or federal statutes or regulations, the remainder of this Agreement shall not be affected
8 thereby.
9

10 **Section 20.5.**

11 Neither party shall be compelled to comply with any provision of this Agreement which conflicts with
12 state or federal statutes or regulations promulgated pursuant thereto.
13

14 **Section 20.6.**

15 In the event either of the two (2) previous sections is determined to apply to any economic provision of
16 this Agreement, such provision shall be renegotiated pursuant to Section 17.3.
17

18 **Section 20.7.**

19 No later than March 1, 2027, both parties agree to establish a schedule to begin collective bargaining
20 on a successor Agreement.
21

22 In the event collective bargaining on a successor Agreement has not been completed prior to the
23 expiration date of this Agreement, the provisions of this Agreement shall be in effect until a successor
24 Agreement has been ratified by both parties of this Agreement or up to a period of twelve (12) months
25 from the expiration date.
26

27 **Section 20.8.**

28 If the District receives notice of wage and/or benefits non-compliance from either SPI or the state
29 auditor, the parties will meet within ten (10) calendar days to negotiate any adjustments necessary for
30 compliance.

APPENDIX A

PURPOSE:

To clearly define the Rules / Regulations / Use / Definition and Process regarding school bus routes & supplemental trips.

DEFINITION OF TERMS:

Transportation drivers are assigned to regular routes to and from schools, special education routes, and supplemental trips.

Special Education Drivers are hired by Chehalis School District for the primary purpose to transport students to and from school. Special training requirements are required for transporting special needs students.

Drivers interested in taking supplemental trips may take two (2) conflicting supplemental trips per week and any other non-conflicting supplemental trips according to the rotating roster board; providing a driver doesn't exceed DOT Regulations otherwise stated.

Types of Routes / Trips:

Regular Route:

A designated course regularly traveled by a school bus designed to transport students to or from their homes, school, or designated bus stops.

Bus Run:

A complete trip on a route. (To illustrate the difference between a run and a route: it is possible to have multiple runs on the same route, i.e., one high school, one middle school and one elementary run.)

Pre-School Route:

A Regular Daily Route that occurs between the a.m. and p.m. regular routes. Primarily, are those regular daily routes that pick up and/or deliver Pre-School students and regular school program activities. Pre-School routes are posted annually for bid prior to start of calendar school year and selections are made according to seniority, experience, and qualifications. Driver must be present at the fall annual in-service meeting to bid or receive a Pre-School route.

Supplemental Trip:

Trips that transport students to any event sanctioned for pupil attendance or authorized by the school district other than for the purpose of regular to and from school transportation.

Supplemental Trips that occur, that either immediately precede or follows regular run times, may be assigned to the route best suited to the activity involved based on time and location, provided however, that when the activity could best be served by two (2) or more routes, seniority would prevail.

Supplemental Trips of more than one (1) day duration, not immediately preceding nor following regular run times, will be posted as a unit for that specific activity.

1
2 **Supplemental Trip (Non-Conflicting):**

3 Supplemental Trips that *do not conflict* with the regular to and from routes. A trip is considered
4 non-conflicting when it does not interfere with any of the regular a.m. / p.m. routes.
5

6 **Supplemental Trip (Conflicting with Regular Routes):**

7 Supplemental Trips that *conflict* with Regular Route schedules. A Supplemental Trip is considered
8 conflicting if it is dispatched out during the regular routes; of which occur from the earliest a
9 regular route is dispatched to the latest regular route returning to the transportation center.
10 Conflicting route times may vary year to year as routes change. (i.e. daily route times, 1st route
11 checked in A.M. and last route in P.M.)
12

13 **Supplemental Trip (Conflicting with Midday Routes):**

14 Supplemental Trips that *conflict* with one's Midday Route schedule. A Supplemental Trip is
15 considered conflicting if it is dispatched out during an individual's midday route.
16

17 **SUPPLEMENTAL TRIP REPORTING:**

18
19 **Supplemental Trip Logs:**

20 Each driver assigned to a trip will be given a trip log at or before the date of the trip. If for
21 some reason a driver did not receive a trip log, they are then required to use a standard yellow
22 daily log. The trip log has information regarding the date and time of trip, vehicle #, pickup
23 location and destination. If after receiving the trip log, any information had been changed, the
24 driver is to appropriately correct the information as needed on the trip log.
25

26 The driver is required to accurately fill out the areas designated for miles and hours and return
27 immediately after the assigned trip. Prior to leaving on the supplemental trip, the driver is
28 required to log the beginning mileage and check in time in the appropriate area. Driver will
29 then need to note the time arriving at the pickup location, leaving the pickup location, arrival at
30 destination, departure from destination, return at pickup location, departure from pickup
31 location and final check out time. In the event a trip exceeds fifteen (15) hours, the driver is to
32 log additional hours as "Rest Time" and acquire the necessary time to rest / sleep and prepare
33 for trip home. Upon completion of trip, driver must record the ending mileage, and total the
34 overall miles and hours taken for the trip. The driver is also asked to note any irregularities
35 occurring on trip and problems that may have occurred at the bottom or back side of trip log.
36

37 **Supplemental Trip Maps:**

38 In most cases, the transportation office has maps of most regularly assigned destinations. It is
39 recommended that when taking a supplemental trip, the driver makes a copy and/or reviews the
40 route best suited for the trip. Drivers are to verify with the coach or chaperone prior to leaving
41 on any trip, the specific destination, location, and any possible alterations that may be needed in
42 traveling to and from the activity.
43

44 **Supplemental Trip Rules:**

45 A specific set of rules regarding appropriate behavior while on a supplemental trip. The trip
46 driver is required to present each coach or chaperone a copy of the rules, and if necessary,
47 review with them and their students the expectations prior to the supplemental trip.
48

1 **Keys Checked Out:**

2 Prior to leaving on a supplemental trip, the driver is required to check out from the office, a
3 gate/building keys and Mutual Aide Booklet. Keys are to be returned no later than the
4 following morning. Depending on the destination, a credit card, extra garbage bags; etc. also
5 should be checked out and taken if necessary.
6

7 **Supplemental Bid Board Process & Procedures:**

8
9 **Purpose:**

10 A supplemental board that clearly displays the placement of drivers in relationship to trips
11 taken. The board is sectioned off into columns noting:
12 [Driver by Seniority] - [Conflicting Trip] - [Last Trip] - [Mid-Week Trip] - [Weekend Trip]
13

14 **Possible Exclusions:**

15 In the event of safety concerns, personnel limitations, or scheduling conflicts, it will be the
16 discretion of the supervisor / designee to assign supplemental trips that best meet the needs of
17 the school district and their students.
18

19 **Postings / Assignments of Supplemental Trips**

20 Supplemental trips shall be posted for driver consideration in a reasonable time prior to
21 bidding. Posted bid week is Monday through Sunday.
22

23 **Weekly Bid:**

24 Postings shall include date of trip, time of departure, origin / destination, and type of activity
25 for the next calendar work week; (Monday through Sunday). Eligible drivers who are interested
26 in selecting supplemental trips must meet with the supervisor / designee at (8:30 on Thursday
27 for Chehalis), or last working day of the week, or forfeit their choice of selection for that
28 week's posted trips. Drivers must have worked their last designated work assignment to
29 participate in the weekly bid. Drivers unable to attend the weekly bid due to other
30 transportation work assignments or route schedules (i.e., a P.M. only route), may leave in order
31 of preference, selected choices in writing with the transportation office. If written choices are
32 selected by other drivers, assignments may be made by the supervisor upon a driver's request.
33 The weekly bid rotation will begin after the last assigned driver from the previous weekly bid.
34

35 **Mid-Week Bids:**

36 Supplemental Trips that become available after the weekly bid times will be made available to
37 all eligible drivers on a separate column of the rotating bid board. These trips will be made
38 available on a rotational basis following the last driver assigned to the last mid-week trip. This
39 rotation is in and by itself and is separate from the weekly bid rotation. Drivers may select or
40 refuse these trips and the rotational placement will be adjusted on the mid-week bid Board.
41 Trips that become available after Thursday P.M., but taking place after next weekly bid, should
42 be on next the Thursday's bid, not mid-week bid board.
43

44 For all cancelled trips, with less than two hours' notice, the driver shall be compensated for two
45 (2) hours' pay and should not be removed for his/her place on the list.
46
47
48

1 **Weekend Bids:**

2 Supplemental Trips that are scheduled to include Saturday and/or Sunday will be made
3 available to all regular eligible drivers on a separate column on the rotating bid board. Drivers
4 may select or refuse these trips and the rotational placement will be adjusted on the (Weekend)
5 rotating bid board.
6

7 **Supplemental Trip Assignments:**

8 Once a driver has accepted a supplemental trip assignment, it is his/her responsibility to
9 perform it. Drivers must notify the assistant supervisor / designee as soon as possible if for any
10 reason they are not able to fulfill their trip assignment. An un-excused absence will result in the
11 driver losing their spot on the rotating bid board for a period of fifteen (15) working days.
12 (Excused absence is only those that are authorized for illness / emergencies).
13

14 **Supplemental Trip Eligibility:**

15 An authorized transportation driver is eligible to take supplemental trips providing that the
16 driver meets the following criteria:
17

- 18 a. Does not exceed more than one (1) conflicting supplemental trip per week involving all
19 or part of a driver's daily work assignment.
20
- 21 b. All transportation drivers are required to follow all applicable Department of
22 Transportation (DOT) regulations, excluding DOT regulations regarding limitation of
23 driving hours of service providing the following procedures are met.
24
- 25 c. Supplemental trips which are scheduled to exceed DOT hours of service will be posted
26 with an itinerary. Within the itinerary, there will be designated off duty hours noted as
27 (Rest Time) with pay relieving the driver of all job-related responsibilities to allow for
28 appropriate rest / sleep. Hours of service is limited to ten (10) hours driving and/or
29 fifteen (15) hours of total on duty time. Off duty (Rest Time) must be recorded on trip
30 log and will be paid at the same supplemental trip rate but must be used for the sole
31 purpose of (Rest / Sleep).
32

33 Supplemental trips which do not conflict with regular routes will be made available to eligible
34 drivers on a rotational basis. Eligible drivers who are interested in supplemental trips are
35 limited to two (2) supplemental trips per week which conflict with an individual's route(s).
36 Supplemental Trip(s) that become available after 8:30 am on Thursday in Chehalis, or last
37 working day of the week, will follow the mid-week bidding procedures for these trips.
38

39 The Transportation Supervisor / designee, if the need arises, may assign supplemental trips to
40 available drivers in an emergency situation. If this occurs, there will be no effect on driver's
41 placement on the supplemental bid board.
42

43 **Altered Trips:**

44 Supplemental Trips that are changed in length or starting times through no fault of the
45 cooperative are considered luck of the draw and no compensatory trips or supplemental time
46 will be given.
47
48

1 **Reschedules:**

2 If a supplemental trip has been rescheduled for the same calendar week, and within (24) hours
3 from the time of cancellation, the trip will be given to the same driver if that driver has already
4 bid a trip which would conflict with the newly rescheduled trip, said driver will get the next
5 like trip. In the event a like trip meets the criteria for rescheduling, the driver must take said trip
6 or forfeit rights to rescheduled said trip.
7

8 If a supplemental trip has not been rescheduled during a (24) hour time period, the driver losing
9 the trip will be given the opportunity to take the next like trip. If the driver is unable to take the
10 next like trip, the trip would then become available to the next eligible driver on the appropriate
11 bid board. If there is no next like trip the driver will not be given any additional trip.
12

13 **Cancellations:**

14 Due to the changing weather conditions experienced during many sport activities, drivers
15 assigned to trips that are susceptible to rain outs are encouraged to call prior to leaving for
16 work. The Transportation Department will make every effort to notify the assigned driver of a
17 cancellation or postponement, providing the office has a number that the driver can be reached.
18 Compensation will not be given if the driver was unable to be reasonably reached in time.
19

20 If a trip is canceled after the driver has reported in for the assigned trip, the driver will be
21 scheduled to perform their regular route. If the driver's regularly scheduled route has already
22 begun, the driver may record two (2) hours on the appropriate daily log forms noting time and
23 activity canceled. If the two (2) hours are taken, the Supervisor / Asst. Supervisor may require
24 the driver to work during this time. The driver will also be given the opportunity to take the
25 next like trip. (Same process as Rescheduled Trips)
26

27 **Like Trip:**

28 A Like Trip meets the following criteria:

- 29 1. The trip is not more than thirty (30) minutes longer than the trip lost to the driver due to
30 circumstances beyond the driver's control.
- 31 2. A weekday trip, if the original trip was on a weekday, or a weekend trip, if the original
32 trip was on a weekend.
- 33 3. The trip is not limited to the same sport or student function.
34

35 Should a driver lose a supplemental trip and has two (2) conflicting trips in one (1) week, the
36 driver retains the right to a Like Trip in the immediately following work week. See Definition
37 of Terms related to conflicting supplemental trips.
38

39 In the event a supplemental trip is lost in the last few weeks of the school year and a Like Trip
40 does not become available prior to the end of the school year, the driver's right to the next Like
41 Trip will not carry over into the next school year.
42

43 **Supplemental Trip Pay:**

44 **Pay:**

45 There is a one (1) hour minimum for all supplemental trips when trip is not preceding and/or
46 following regular route times. All supplemental trips will be paid at the supplemental trip rate
47 of pay.
48

1
2 **Overtime:**

3 Bidding into known classification-wide overtime will be allowed to a maximum of fifteen (15)
4 hours per week, provided that such overtime is approved in advance by the Director of
5 Transportation. Additional overtime will be prohibited unless circumstances dictate such an
6 allowance. The driver will be paid at the standard overtime rate of one and one half (1½) times
7 their regular pay for all hours worked over forty (40) hours per week.
8

9 **Overnight Trips:**

10 Overnight trips are paid at a rate of eight (8) hours per/day when the trip involves an overnight
11 stay. If a trip leaves during a workday, the trip will be paid for actual time on duty. If a driver
12 is required to be on duty for more than eight (8) hours, he/she will need to have verification and
13 signed by coach/chaperone to receive payment in addition to the standard eight (8) hours.
14

15 **Lunch:**

16 Recognizing that Transportation Drivers in the Transportation classification presents special
17 shift problems, scheduled lunch periods may vary or not apply on regular routes. When on a
18 regularly assigned supplemental trip, pay is given from start to finish. When appropriate, the
19 driver has the option to go eat, etc. for up to one (1) hour, away from the activity,
20 understanding that the driver is on his/her own time without pay. Unless authorized, the use of
21 a school district vehicle is prohibited. Notification by the driver must be given to the coach or
22 chaperone as to the approximate time and destination. Excess of one (1) hour must have prior
23 authorization of the Transportation Supervisor / Assn. If a particular trip is taken that does not
24 include lunch, but time is allowed to take lunch, thirty (30) minutes of non-pay will be given.
25 Employees required to work through their regular lunch periods will be given an opportunity to
26 eat at a time agreed upon by the employee and supervisor.
27

28 **Food/Lodging:**

29 While on a supplemental trip during a meal period, meals shall be paid a per diem in
30 accordance with district policy and procedure. When lodging is requested by the Transportation
31 Department on an overnight trip it will be made in accordance with the drivers' needs to
32 receive a complete eight (8) hours rest.
33

34 **Family / Friends On Supplemental Trips:**

35 Drivers may not take family members or friends at any time on any supplemental trips, unless
36 the family member(s) or friend(s) are part of the group being transported.
