## News from the Flight Deck:

This past week Cal Aero had the wonderful experience hosting 42 Junior High aged international exchange students from China. These students brought an incredible energy and enthusiasm to our school community. From the moment they arrived, they demonstrated curiosity, respect, and a genuine desire to learn about American culture, education, and daily life. It was inspiring to see how quickly they engaged with our students, and contributed to classroom and extracurricular activities.

**We have the following urgent issues that need to be resolved immediately for student safety:** 

Parents, if you are in your car in the DROP OFF LANE, do **NOT** leave your car; students will be able to walk directly to your car if you are waiting in line in the DROP OFF LANE and keep the flow of traffic going.

Parents, if you are in the PASSING LANE/NO STOPPING LANE, please be mindful of students crossing with their parents by **SLOWLY** proceeding through the parking lot.

All staff members directing traffic on behalf of student safety are to be treated with respect and courtesy.

All cars driving in the parking lot **MUST** abide by the parking lot expectations, thereby, safeguarding our students.
