Volume 16, Issue 24

### News from the Flight Deck:

PTO and Cal Aero Aviators would love to give a HUGE thank you to Richard who planned an unforgettable Mother/Son Event. Your hard work is truly appreciated and we are so thankful for all that you do!

Don't forget to complete the K12 School Quality Survey as valuable feedback for our school. **Up until now, only 25 parents out of our entire parent population have completed the survey.** The survey takes approximately 10 minutes to complete and is entirely confidential. We would greatly appreciate your input regarding academics, student support, parent engagement, diversity, school operations, and school leadership. Parents, guardians, and students have the option to access the survey by scanning the QR Codes.
