News from the Flight Deck:

Attention Cal Aero Families, ✈

We are reinforcing strict arrival and dismissal procedures in the North and South Gate Parking Lots to enhance student safety. Some drivers are abandoning vehicles and blocking traffic, creating backups and posing safety risks. Drivers must wait their turn in the car lane and remain in their vehicles while in the drop-off lane to maintain a smooth flow of traffic. In the passing lane, please proceed slowly and be vigilant of students crossing with adults.

Only adults should escort students across the parking lot; students must use sidewalks when walking to parked cars or home. Respect for staff directing traffic is essential for maintaining a safe environment. Additionally, students in 4th grade and above may ride bikes or scooters to school if they are wearing helmets, in compliance with school policies. Thank you for your cooperation in ensuring the safety of all our Aviators.
