## News from the Flight Deck:

We are excited to welcome in the fall season and look forward to cooler temperatures. However, please be sure to keep an eye on the weather forecast and continue to send students with plenty of water especially on hot days.

It was an exciting week for our Jr. High students; we had our first round of matches for the district wide volleyball tournament. Congratulations to our boys team for the win and a shout out to our girls team for a well played match. Friday saw an exciting Friday competition at lunch with a very intense game of musical chairs and then a neck in neck battle to be named the spirit shirt winners between Mrs. Fellows and Mrs. Maguinness' 6th period classes. The spirit rivalry between our classes is really heating up!

We are looking forward to continued enriched learning here on campus and off, as 1st grade tracks C and D head to the Zoo on a field trip, Track D 3rd grade and our  $\frac{2}{3}$  combo are headed to Clark Interpretive Center and Tracks B and C participate in Walk through California History, and our 3rd - 5th grade GATE Class students participate in the KAPLA Challenge over the coming weeks!
