Volume 16, Issue 15

News from the Flight Deck:

What a busy and exciting few weeks we've had here on campus as we moved full swing into the holiday season.

Starting this week we will begin our **Change for Change** program hosted by PTO with help from JH Leadership. Jars will be delivered to each classroom for students to deposit donations in. Leadership will collect donations once a week. All donations will be used to purchase food, clothing and gifts for Cal Aero kids in need for the Holidays.
