

# Be a part of Townsend Junior HS Choir!

Director, Mrs. Laura Rutherford

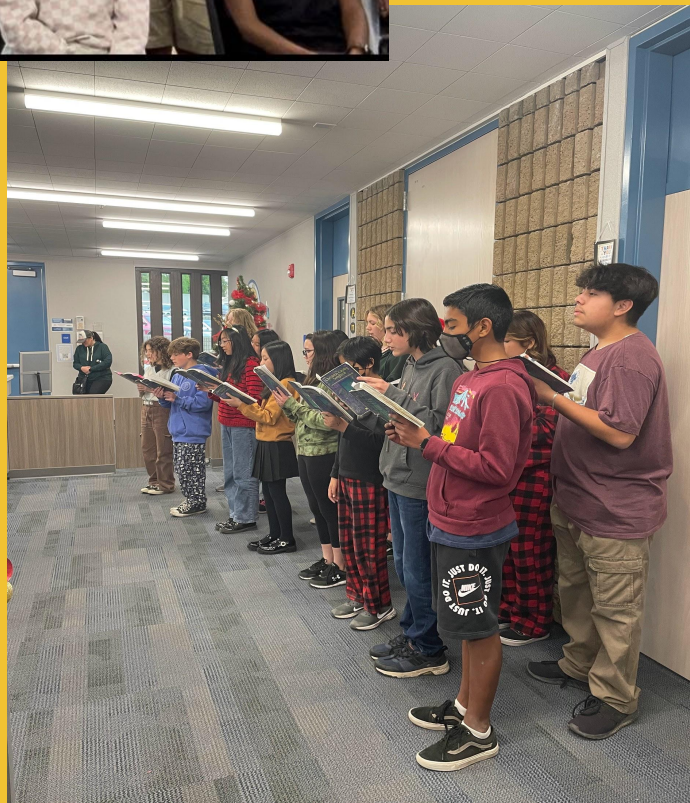

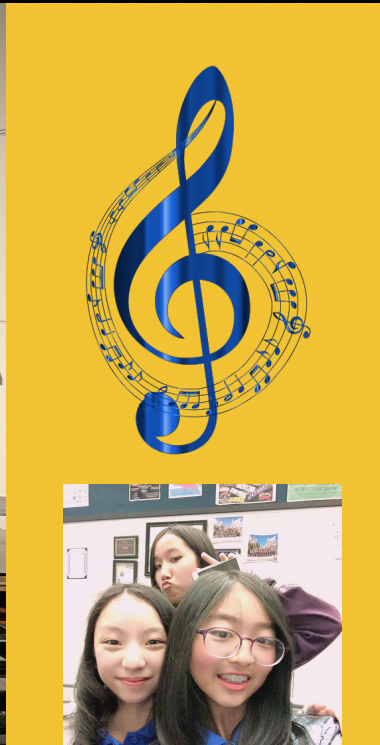

# TJHS CHOIR

**“Do I have to know how to read music,  
or how to sing well in order to join choir?”**

**No! Just bring your love of music, and you will learn how to sing with healthy vocal technique, while working with others to learn songs in multiple parts, learning melody and harmony.**

- **Choir is an elective, with visual/performing arts credit.**
- **We will cover MANY of our state standards in music, some at proficient and the advanced levels. We will learn to read and notate music, learn about music history, and sing music of many different genres, styles, cultures, and languages!**
- **We will not have any after-school rehearsals for this group, our rehearsals will be during class time.**
- **We will have performances as part of our grade! We may sing at Townsend, at a choir festival, and with the choirs at Chino Hills High School!**

# Join TJHS Choir!

Sign up for Choir with your counselor, or contact Mrs. Rutherford!  
You can find information about choir on the Townsend Junior High School website.
