

There's an app for that!

By the start of the upcoming school year, you'll be able to keep up with everything happening at your school with our brand new **Clovis Unified App** available on all mobile devices!

Scan the QR code below to download the Clovis Unified App by esv2go on your iOS and Android devices.

With our new app, you can:

- Keep up with all of our latest news, information and announcements
- Find out about events and activities
- Contact teachers, staff and administration
- Report absences
- Access school menus and our online gradebook system
- Get important documents, picture galleries and other media
- **And much more...**

Also this summer, our Clovis Unified school websites are getting a re-design. The newly redesigned sites will fuel much of the content of our app. While not all of our schools currently have content in the Clovis Unified app, during June and July we will be populating the app with all of our schools, and by back to school time you will be able to download the Clovis Unified app and follow any of our schools.
