

Career Technical Education

Building a Stronger Workforce

STATE CENTER
COMMUNITY COLLEGE DISTRICT

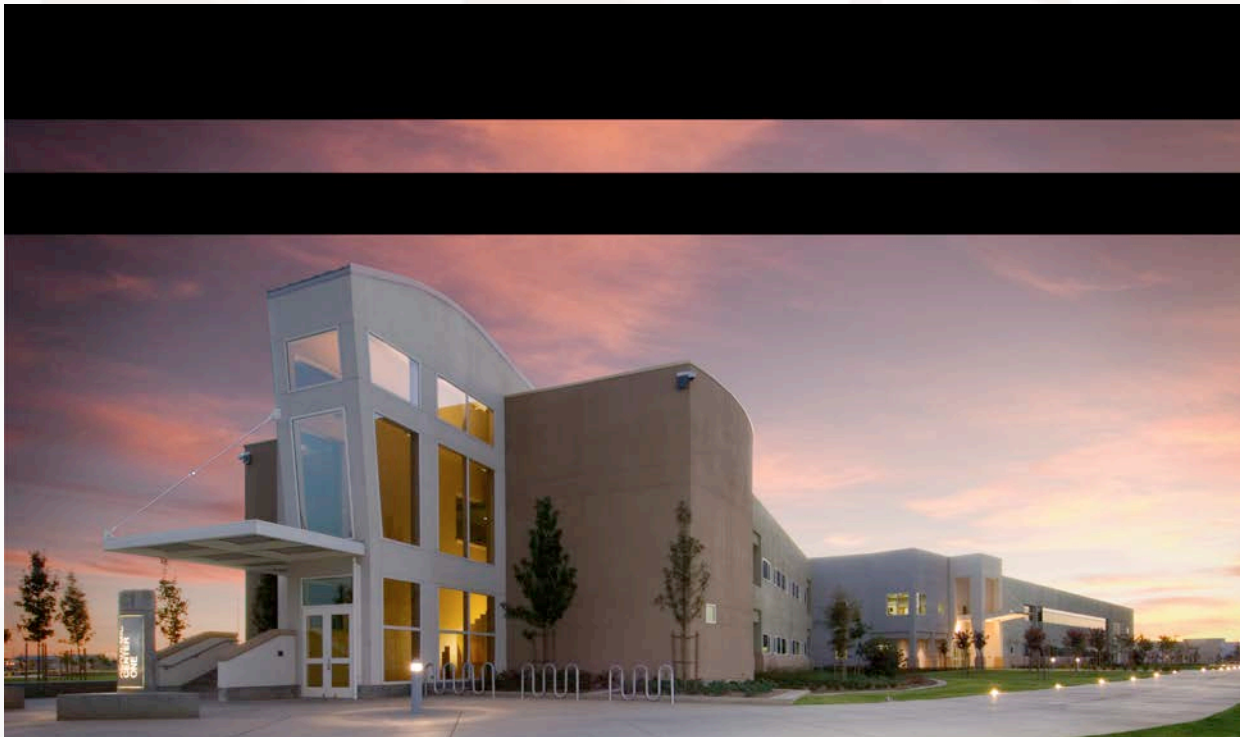

Mission Statement: Creating Opportunities – One Student at a Time

- We embrace diversity and serve all students of the community;
- We believe education is based on integrity, generosity, and accountability;
- We foster critical, creative, and engaged thinking;
- We support student success by preparing students for their futures and for the community's future through career/technical certificates, degrees, and transfer programs;
- We cultivate community partnerships to enhance student learning and success;
- We engage in reflective, data-driven cycle of research and innovation focused on learning and student outcomes.

Vision Statement: Clovis Community College is the college of choice for academic excellence, innovation, and student achievement.

On July 20, 2015, the California Community Colleges Board of Governors voted unanimously to recognize Clovis Community College as the 113th campus of California's community college system. The campus opened in 2007, first known as the Willow International Center, then Clovis Community College Center, and now, Clovis Community College.

Clovis Community College also offers classes at the Herndon Campus located at Peach and Herndon Avenues, which is four miles from the main campus.

Clovis Community College serves nearly 10,000 students in California's heartland and joins Fresno City College and Reedley College as part of State Center Community College District, one of the state's largest community college districts.

Career Technical Education (CTE)

Clovis Community College offers a wide variety of career and technical training to help students meet their educational and career goals.

The Career and Technical Education (CTE) programs at Clovis Community College prepare students for employment and help them to enter the workforce with the skills necessary to succeed in a competitive job market. Clovis Community College offers:

- Vocational programs
- Counseling and guidance
- Career placement services
- Training programs
- Career planning

CTE Programs

Business Administration

Training for careers in accounting, general business, marketing, retail, hospitality, or management.

Child Development

Training for careers in child care programs, home day care facilities, elementary schools, adult educational programs, creative arts and media, social services, or health related fields.

Criminology

Training for careers in law enforcement, such as a bailiff, correctional officer, criminal investigator, detective, police officer, or security guard.
