PRINCIPAL'S MESSAGE

PTC's Carnival

Thank you to all the volunteers, donations, and class baskets for the Carnival. It was a success because of all of you. Special thank you to the Huebert and Milhous families for cooking up 300 hot dogs, Jenn Tozlian and team for a fabulous silent auction, and the PTC Board, who planned it all out.

Congratulations

Congratulations to our two championship fall sports teams. Our 5th/6th Grade Boys Cross Country Team (Clovis North Area Champions) and our Football Team (Clovis North Area & Clovis Unified Champions). We want to thank the athletes, coaches, parent volunteers, and families for making this a season where we won with class and sportsmanship. Also, congratulations to our over 20 Cross Country athletes who qualified and competed at the District Meet. The long-running dynasty continues at Bud Rank.

Next week, our school community will focus on the Other People Mindset of ***Knowing That My Words and Actions Affect Others***, which means having an awareness that everything that we say and do can affect others — and our relationships with them.

Whether we speak, email, text, or post, our words and actions can have a positive or negative effect. The words and actions we choose can lift others up or bring them down, and they also impact us. When we all think carefully about our words and actions and show respect and care for those around us, we create a happier and healthier community.

To practice and encourage this Other People Mindset at home, please visit The Positivity Project's mobile-friendly P2 for [Families](#), where you will watch a video together and discuss a quote and three questions. Below are links to this week's P2 for Families lessons. Click on the grade level that best meets your child's needs.

Thank you for your continued support!
