PRINCIPAL'S MESSAGE

Raven Run

Thank you, thank you, thank you!

\$54,163.01 was raised!

100% of the funds raised will be only spent on students this year. With that amount, we will not need to do any additional ASB fundraising this year. Thank you for your generous support of Bud Rank!

Parent Teacher Conferences

Sign-ups for conferences have been sent out this week to all parents. Please sign up for a time to discuss your child's current progress and discuss what progress is needed for the rest of the year. I am asking all parents to schedule one meeting per child, even if there are two different households. It is important that both parents hear the same message and team up with the teacher to benefit the student. Online conferences are an option; just ask your child's teacher. Elementary Conference Day is Friday, November 1st, a no-school day.

Traffic & Safety

We are seeing an increase in dangerous situations at drop off, pick up, and in the crosswalks. Here are some important reminders to keep all students safe:

Campus opens at 7:35. Dropping off closer to that time ensures you and your child aren't rushed, and drop off isn't in the middle of the parking lot to avoid being late.

Dropping off in the middle of the street when traffic is backed up isn't safe.

Drop off along Sanders Ave west of campus and let students walk across the grass.

While at crosswalks drivers should never direct students to cross when a school employee is on Crosswalk Duty.

When students are crossing, do not enter the crosswalk they are in even to make a quick right turn.

Dropping off in the middle of the parking lot isn't safe, and it backs up traffic.

Dropping off in disabled parking when you do not have a disabled placard is illegal.

Plan ahead and leave earlier; most safety issues occur after the bell has rung. Is a tardy more important than the safety of your child and other children?

Please drive, drop off, and pick up like your child and their friends go to school here.

THE POSITIVITY PROJECT

Next week, our school community will focus on the Other People Mindset of *Being present and giving others my attention*. This means when we are with other people, we are present and give them our full attention.

In today's world, it's easy to get distracted by phone calls, messages, and social media. These distractions can pull us away from what's most important — our relationships with other people.

Just as plants need sunlight to grow, our relationships need attention. If we don't give our full attention when we are with our family, friends, and even colleagues, we can't build strong relationships. It's crucial to put down our phones and tablets and really listen when others are talking. Positive relationships are the foundation of a positive culture, and we can't build positive relationships without attention.

To practice and encourage the Other People Mindset of being present and giving others our attention, please visit the Positivity Project's [P2 for Families](#). There, you will watch a video clip together and discuss a quote and three questions.

Thank you for your support!
