Hispanic Heritage Month

1916-2005 PD

Edward Roybal was a U.S. Congressman for Los Angeles for 30 years. He wanted to honor Hispanic teachers, soldiers, and many others in the U.S. He sponsored the 1st Hispanic Heritage Week in 1968. In 1989, President George H. Bush made it a month long.

Like the first settlers, Hispanics contributed to America. Hispanic Heritage Month starts on September 15th. It ends on October 15th. It was one week long. In the 1980's, it became a month.

Are you Hispanic? Do you have Hispanic classmates? There are many **Latinos** all over the U.S. This is because the U.S. is near Central and South America. It is also near the **Caribbean**. These places have Hispanic countries.

There are many reasons Hispanics come to the U.S. They come to work and visit family. Some come to start a new life. They go to college or work. Others have always lived here!

Hispanic Heritage Month is a time of **appreciation**. Latinos are honored for their hard work. People have ceremonies. There are awards and education. Hispanics have helped America grow!
