STUDENT-ATHLETES

NCAA/NAIA Acknowledgement

Clovis West Athletic Department

Student athletes planning to participate in collegiate athletics must be aware of the requirements of the NCAA and NAIA. The following websites provide rules, regulations, requirements, and enrollment for NCAA or NAIA athletics.

The NCAA website is: www.eligibilitycenter.org

The NAIA website is: www.playnaia.org

Students need to apply to either organization by the end of their junior year. Please see your Counselor or Athletic Director for assistance in monitoring your son's/daughter's eligibility.

I acknowledges that it is my responsibility as parent/guardian to have an understanding of the NCAA/NAIA requirements. I agree that it is my responsibility to make sure my student is enrolled in courses that will allow him/her to be eligible to attend and receive athletic based financial aid at a four year college/university upon graduation . I also understand that it is my son's/daughter's responsibility to apply to the athletic organization of choice. I understand that it is my responsibility to contact my son's/daughter's counselor each year to monitor my student-athlete's progress and to ensure my student-athlete is working toward NCAA/NAIA initial eligibility. Complete the form and return it to the Clovis West Athletic office.
