Education Pathway

For High School Students

Clovis Unified School District

www.teacherpathway.com

2016-2017

Pathway Courses

10th Grade – Exploration of Child & Adolescent Literature

This English Language Arts college preparatory course is integrated with the Education Pathway standards. This course allows students to utilize Language Arts skills to investigate and evaluate the value and purpose of world literature for children and adolescents. Students synthesize their knowledge of the developmental stages of physical, intellectual, social, and emotional development with their understanding of appropriate teaching materials and readings for each of the stages.

11th Grade - Careers with Children

Dual Enrollment with Child Development 1 (3 units)

This course is designed to prepare students to work in fields dealing with children from birth to age 12. Students learn the organization and procedures involved with a preschool or day care center, as well as techniques for instructing, guiding, and caring for children in a childcare program. Through off-campus internships, field trips, and classroom speakers, students will learn firsthand about career opportunities that deal with children. Students prepare for and take the Paraprofessional exam.

12th Grade - Education Careers

Dual Enrollment with Education 10 (3 units)

Students in this class study the nature and scope of the school system, the duties and opportunities of the professional teacher, factors relative to success in teaching, and credentialing requirements. Students prepare for and take the California Basic Educational Skills Test (CBEST) and have an opportunity to observe and work in CUSD elementary and intermediate schools.

Pathway Opportunities

Educators Rising California (Grades 9-12)

This is a career technical student organization for students who are interested in teaching and/or careers in education. Interested students can register at club sign-ups in the fall.

Saturday Academy

This program is designed to enhance teaching skills and to help build confidence in managing a classroom. With a focus on student engagement, the academy will prepare pathway students to qualify for paid summer employment in K-12 programs.

College Boot Camp

This 3-5 day program hosted at Fresno State serves as an opportunity for pathway participants to gain leadership and advocacy skills, as well as increase awareness of admission requirements, financial aid, scholarships, and teacher preparation.

Youth Technology Institute

Pathway participants will be taught in state-of-the-art technology labs at Fresno State. Capitalizing on the latest innovations, students will be equipped with the power of technology for use now as a learner and later as a teacher.

Summer Internship

These positions are available through the California Teaching Fellows Foundation. It provides participants with early field experience working with school age students in grades K-12, while experiencing employment in summer programs.

Career Opportunities

- Paraprofessional
- Teacher
- Special Education
- School Administrator
- Counselor
- School Psychologist
- Principal
- Superintendent
- College Professor

Please note: The marked **X** in each row indicates when a participant may enroll for the pathway opportunity.
