Principal's Message:

Hello Pates,

As we prepare to close the month of October this week, we have much to celebrate. We completed our 1st quarter of the school year and are looking forward to acknowledging the academic achievements earned by our Pates. Please save the date for our 1st quarter Academic Awards on Thursday, November 7, 2024.

Congratulations to our fall athletes for an incredible athletic season! Our 4th grade Boys Cross Country cinched the Clovis West Area League Champion title, and our 5th/6th Boys Cross Country teams are Co-Clovis West Area League Champions leading into the District Championship race. Finishing the 4th Grade Girls District Championship race in 4th place is Abigail L. In the 5th/6th Grade Boys District Championship race, Kambys T. took 2nd place with a time of 5:14.47! What an amazing accomplishment!

The FW Football team earned the wild card invitation to compete in the District Championship Bowl through their hard work and focus to produce successful wins with our last two opponents in the season. Our FW Football team knew what needed to be done to secure a score of 16-0 and the District Champion title! Way to go, Pates!

Huge kudos to FWPA for hosting the most spook-tacular 4th Annual Trunk-or-Treat! Thank you to our amazing parents for orchestrating, planning, decorating, and volunteering to make the Trunk-or-Treat such a memorable event for our students. The donated no-carve pumpkins were all extremely creative! The dance party and costume showcase were a blast! And the classroom trunks were so much fun! Teacher raffles will be drawn at our Thursday morning announcements this week. Looking forward to seeing who our lucky winners are!

Thank you for supporting us on our Jog-a-thon fundraiser! 100% of the funds raised in our annual Jog-a-thon goes right back to our students, which includes student programs, student awards, school and classroom incentives, student rewards, assemblies, athletic events, events at the Fort such as Turkey Trot and Olympic Day, technology to support student learning, campus beautification projects, and signage to promote positive behaviors and character. The last day to turn in donations for Jog-a-thon prizes is Wednesday, November 6th.

Thank you for your amazing support!

Sincerely,
Mrs. Hashimoto

GET INFORMED: MEASURE A – WHY MULTIPLE TAX LINES?

It's your school district. Help us decide how Clovis Unified will look in the years to come. Learn the facts about Measure A and be an informed voter in the November election.

FACT: The multiple lines listed for Clovis Unified on a property owner's tax bill does NOT mean additional taxes. No matter how many lines listed, our current tax rate has been the same since 2012.

Strange as it sounds, more lines actually mean more savings. Clovis Unified takes advantage of opportunities to refinance our debt at lower rates to create savings to taxpayers and maximize dollars. Fresno County requires a new line added to the tax statement each time we refinance, indicating the change.

Learn more about Measure A, the bond that does not increase the current tax rate, at cusd.com/2024Bond.

PLEASE CALL THE OFFICE IF YOUR CHILD IS GOING TO BE ABSENT 327-6600, OR REPORT ON PARENT CONNECT.

THANK YOU 😊

STUDENT PICK-UP

PLEASE remember that grades 1-3rd have PE time from 1:30-2pm and grades 4-6th have PE from 2:30-2:55pm. Teachers are unable to leave their students to open the classroom for a backpack. If you know you will be coming during this time, please email the teacher so that they can set the backpack outside of the classroom. This will expedite the pick-up process.

Thank you for your understanding.
