GET INFORMED: MEASURE A – NO TAX RATE INCREASE

It's your school district. Help us decide how Clovis Unified will look in the years to come. Learn the facts about Measure A and be an informed voter in the November election.

FACT: Passage of Measure A would keep the current property tax rate unchanged, a rate that has been the same in Clovis Unified for the last decade and is the lowest rate among the area's large school districts. If passed, the bond would allow for safety, energy efficiency and technology upgrades at every school; maintenance and modernization of aging schools, many built 60+ years ago; and new construction to ease classroom overcrowding for students, preserve quality learning environments and help protect nearby home values.
