

# Oraze Bearcats Football

Welcome Bearcat parents to a new football season! We are looking forward to doing our part as coaches helping your children become champions, not just in football but in life on and off the field. They are student athletes, students first and athletes second. They are expected to maintain passing grades to be eligible to play.

We will provide all the necessary gear and uniforms. Any personal gear will require you to fill out an equipment waiver. The waiver is available for every student through the coaching staff. No outside league uniforms or gear are allowed (not even for practice).

**There are a few things we recommend, but are not required and have no bearing on which team your child will be placed on or how much playing time they get.**

## **Recommendations:**

- **Sports protective cup**
- **Football or soccer cleats ( no screw ons or metal cleats)**

**For game days we would like all players to wear a black undershirt and black socks.**

We expect our players to take responsibility for themselves and their equipment. They need to be on time, completely dressed and ready for practice. If your child will not be able to make practice or a game due to illness or doctors appointment please notify the coaching staff. They can only miss one day of practice in a game week to be eligible to participate on game day. If they have an injury that does not require them to be bedridden we expect them to be at practice because they have committed to being part of the team. The districts weight restrictions are:

Minimum 60 lbs with all gear except helmet Maximum 144 lbs with all gear except helmet.

**Parents please respect all coaches. Allow us to coach your athlete during practice and games.**

**We need our players to execute our game plan by doing what they are responsible for during each play and to be focused on the game so our team can be successful. During games we need parents to remain in the cheering section. We thank you for your cooperation.**
