**Apprenticeship occupation information can be found at:**

**<http://www.calapprenticeship.org>**

All information contained herein was deemed correct as of the date of preparation, and is subject to change without notice. No liability is assumed for incorrect and/or incomplete information. Selection of apprentices is made on the basis of qualifications only. Applicants shall be afforded equal opportunity without regard to race, creed, color, sex, or national origin. Some programs may accept applications once, every 2 years. In those instances, you should contact the appropriate apprenticeship committee to determine when applications would more than likely be accepted. You may also review newspapers in that area for notices of application acceptance dates. Other information: Proof of age and educational prerequisites will be required. All apprenticeships require the ability to perform the work of the occupation. A high school proficiency certificate is fully equivalent to an awarded high school diploma (Section 48412(a) of the Education Code). The term JAC is a Joint Apprenticeship Committee. The term JATC is a Joint Apprenticeship Training Committee. The term UAC is a Unilateral Apprenticeship Committee.
