- CUSD Software Pre-installed
- Microsoft Office 365 (School License)
- 3 Yr Warranty with Accidental Damage Protection (ADP) w/ CUSD Service

\$1,299 Bundled

The 300e Touch is a great machine and is perfect for the Laptop Program. Most families choose the 11e Yoga / Rugged Student ThinkPad, because it is more durable, has a longer battery life, faster processor and stylus pen. The L380 Yoga has a larger screen, a faster processor, more RAM and twice as much storage, more than you need for the CUSD Program.
