

Which eligibilitycenter.org account should I create?

We developed two different accounts for the new website to help prospective student-athletes make the best decision about their college choices.

- 1. Certification Account:** You need to be certified by the NCAA Eligibility Center to compete at an NCAA Division I or II school. You also need to be registered with a Certification Account before you can make official visits or sign a [National Letter of Intent](#) in Division I or II. Please allow 30 to 45 minutes to completely register and see our Registration Checklist for further details.
- 2. Profile Page:** If you plan to compete at a Division III school or are currently unsure which division you want to compete in, create a Profile Page. Please allow 15 to 30 minutes to completely register. If at any time you wish to play at the Division I or II level, you can transition to a Certification Account and pay the registration fee to begin your certification process.
 - **Please note:** You may transition from a Profile Page to a Certification Account, but cannot move from a Certification Account to a Profile Page. Students who registered with the old website will be considered Certification Accounts.

What should I do if...

- **I want to play at a Division I school:** register for a Certification Account. Have information about your education and sports history ready to make your registration process easier. You will also need to pay within 30 days of creating your account for it to remain active. Make sure you're on track to be eligible by following the [Division I academic guidelines](#).
- **I want to play at a Division II school:** register for a Certification Account. Have information about your education and sports history ready to make your registration process easier. You will also need to pay within 30 days of creating your account for it to remain active. Make sure you're on track to be eligible by following the [Division II academic guidelines](#).
- **I want to play at a Division III school:** register for a Profile Page. Division III schools set their own academic requirements. Check with your school to make sure you're on track to be eligible. If you decide to play Division I or II sports at a later time, you will need to transition to a Certification Account.
- **I'm not sure where I want to play:** register for a Profile Page. As you go through your college process and learn what division is best for you, you can receive updates from the Eligibility Center with helpful reminders to make sure you're ready to participate in college. You can keep your Profile Page or transition to a Certification Account once you make your college decision.
