— 2023 REPORT TO THE COMMUNITY —

We ARE Clovis UNIFIED!

A Message from the Superintendent

Corrine Folmer, Ed.D.
Superintendent

In Clovis Unified, students are at the center of every decision we make, and we value and recognize that **through our students we are woven together as a community.** We hold tightly to that knowledge, and it calls upon us to act with transparency, to set high standards for ourselves and our students, and to pour our best into our students, their families and our community.

How well we achieve our goals is directly correlated to the quality of our schools, and the quality of your local public schools has a great impact on your life, whether you do or do not have a student attending our schools.

Our success impacts your property values. It impacts the business community by attracting tourism and through our use of the local supply chain. It impacts the vitality of the community by drawing high quality employers to our area. And, most importantly, it impacts the future of our community through the quality of our graduates and their preparedness to assume a role in the workforce and society as responsible citizens.

We are accountable to you, our local community, and we regularly look for ways to reach out to connect you with our journey. **Our students come first**, and we want to invite you into our work to educate, inspire and equip them in mind, body and spirit.

Through the strength of our academic programs, the quality of co-curricular offerings, the world class facilities we build thanks to your support of facility bonds, in every area of education, we work hard for our students. Of utmost importance to that work are our people. They are the caring individuals who put on a Clovis Unified employee badge every day and do the hard work as a team that builds trust and confidence in each other, in our students and in our community.

As we live out our three organizational aims to Maximize Achievement for ALL Students; Operate with Increasing Efficiency and Effectiveness; and Hire, Develop, Sustain and Value a High-Quality, Diverse Workforce, we are provided an amazing opportunity to **make a difference** in the very special community we serve.

I invite you to share in the journey of our close to 43,000 students and the incredible team of educators who serve them. In the following pages, you will find stories about educators and students focused on excellence, and data points to illustrate the return on your investment in Clovis Unified and in your local schools.

Thank you for your partnership and support today, and in the months ahead. Together, we will keep our students, their academic well-being and their future success at the heart of all that we do here in Clovis Unified.

Students are at the center of every decision.

Corrine Folmer, Ed.D.

WHO WE ARE

Clovis Unified is more than its name implies. Our **200-square-mile boundary** includes most of Clovis, 20 percent of Fresno and a small portion of unincorporated Fresno County. We work in partnership with three local governments and multiple law enforcement agencies.

We strive to make a positive impact in the communities in which our schools are located by offering **high-quality education** to children; well-kept facilities that **enhance neighborhoods** and add to property values; and top venues to draw large regional, state and national events to the area that **support local economies.**

Clovis Unified State Test Scores

State test scores for the 2022-23 school year are not yet available. Clovis Unified's scores for the previous year were 66% of students at or above the English Language Arts standard (state average was 47%) and 49% of students at or above the Math standard (state average 33%). Clovis Unified's scores were the **2nd highest among the Top 20** Largest School Districts in California.

Following the pandemic and students experiencing varying forms of remote and hybrid instruction, ELA and math scores on a whole declined statewide reflecting student learning loss. This year, Clovis Unified is focused on improving academic achievement and innovative ways to support student growth.

The California Department of Education will release schools, districts, counties and state scores later this year. For updates, visit the CDE website at: cde.ca.gov.

State of Our Facilities

We believe engaging learning environments, well-maintained campuses and state-of-the-art facilities challenge, inspire and encourage our students to succeed in mind, body and spirit!

Clovis Unified is a growing district.

A drive within our 198-square-mile boundary quickly reveals new home construction and multi-family developments under construction that are projected to bring many new students to our schools. This, combined with existing overcrowding at several Clovis Unified campuses and a new state law requiring the opening of Transitional Kindergarten (TK) as a full grade level, have created the need for more classroom space. Clovis Unified is using developer fees and bond dollars to build three schools.

- ◆ **Satoshi Hirayama Elementary:** Opening for TK-6th graders Fall 2024. McKinley and Fowler avenues.
- ◆ **Terry P. Bradley Educational Center:** Includes Clovis South High School and a still-to-be-named intermediate school. Phased opening with 7-9th graders attending Fall 2025, and adding a grade level each year until fully operational by 2028. Highland and Clinton alignment.

However, a changing economy since initial plans were developed due to the pandemic and supply shortages dramatically increased costs.

"A 30% increase on a multi-million-dollar project is a lot of money that we cannot just make up by cutting back. We will do everything on our part to adjust plans and become innovative with finances, but these steep escalations likely require a future bond measure to ultimately complete the projects," said Assistant Superintendent of Facility Services Denver Stairs.

Construction of these much-needed schools will focus first on building what is essential for school operations.

SPIRIT.

2023-24 Theme

- ◆ Three out of four students say they are involved in extra school activities such as sports, drama, band, dance, science fair, robotics and clubs.
- ◆ 87% of parents say schools have a positive environment
- ◆ Clovis Unified has a pro-active **Wellness Support System** that includes Clovis Support and Intervention (CSI), Positive Behavior Interventions and Support (PBIS), Behavior Consultation Team (BCT), Multi-Tiered Systems of Support, Suicide Prevention and Social-Emotional Support Providers.
- ◆ Diversity awareness lessons, multi-cultural festivals and heritage clubs are at each campus. Leadership conferences spotlight African-American, Asian, Latino and Native American mentors and contributions.

84%

Students say they feel like they are a part of their school

Campus Snapshots

- Clovis North Marching Band performed in the Macy's Thanksgiving Day Parade in New York City.
- Fancher Creek's "Show Your Love" collected 942 pounds of trash in the nearby neighborhood.
- Gateway High made a bike for every elementary school.

Why do we do what we do?

Because every one of these students pictured – and **43,000 more!** – are counting on us to take their first-day enthusiasm and keep it ignited in a learning environment that **puts kids first**. Whether it is a bus driver warmly welcoming a child by name, a teacher opening the classroom at lunch for extra help or a librarian growing a literary collection for diverse interests, every member of the Clovis Unified team shares the goal to do what is best for our students in **mind, body and spirit**.

Kids are, and will always be, at the center of every decision we make.

2023-24 first-day-of-school photos shared by Clovis Unified parents

PICTURE PERFECT CARE FOR YOUR WHOLE FAMILY

With the strength of a community this large, finding the right provider for you becomes easy. From a doctor who knows you and is always ready to answer the little questions to a team of specialists ready to walk you through life's biggest challenges, you can always count on care that's with you every step of the way.

We believe every person deserves a healthcare team that works around their needs, every day, and that some of today's health-related issues simply can't be put off until tomorrow. Which is why our primary care providers are now accepting new patients and **same-day appointments**.

To get the care you need, when you need it, visit us at **CommunityHealthPartners.org**

National School Lunch Week October 9 – 13, 2023

Did you know that Campus Catering has served an average of 18,911 lunches every day so far this school year? Healthful, no-cost lunches provide students with power to focus, learn and succeed in class. Daily offerings for all students include whole grains, lean protein, fruits, vegetables, and milk. To celebrate NSLW this month, Clovis Unified students and families are encouraged to “level up” with school lunch and rate our menu at cusd.nutrislice.com/menu.

Why a Foundation for Clovis Schools?

It's hard to believe when you see the results Clovis Unified achieves or when you step foot onto one of its beautiful campuses or facilities, but the district must do a lot with significantly less funding than its neighboring districts every year. In the 2022-23 school year, Clovis Unified received an average of \$2,936 less per student than other school districts in Fresno County. This is why the Foundation for Clovis Schools exists: **To help bridge the funding gap and support educators and students with resources needed to succeed by providing grants and scholarships that allow educators to continue innovating and students to continue pursuing their dreams.**

California's Local Control Funding Formula divides dollars between school districts based on varying levels of qualifying students (low income, homeless, English learners and/or foster youth). In Clovis Unified, about 48% of students match these qualifications, but since the district falls short of the 55% threshold, it does not receive Concentration Funds.

2022-23 Foundation Highlights

Doc Buchanan Leadership Academy

Provided training and resources to over **130 district leaders**. This partnership between the Foundation and district strives to

develop strong leaders prepared for the future whose decision-making is grounded in the timeless core values and educational beliefs that have contributed to the district's success over time.

25 Classroom, School and Emotional Wellness Grants

Provided over \$169,000 to support projects that help teachers innovate in their classrooms. These funds helped create more inclusive environments for students with special needs, introduced students to new science and technology equipment, purchased substance abuse prevention curriculum and much more.

157 New Teacher Grants

Awarded \$30,420 to teachers new to the district to help prepare their classrooms to be vibrant learning environments for Clovis Unified students.

17 Students of Promise Scholarships

Rewarded 17 remarkable 11th graders with a combined total of \$34,000 to pursue their goals with a scholarship upon enrollment into post-secondary education.

NO TRICKS, ALL TREATS when it comes to planning for the future.

We work with educators to help with:

- ✓ Traditional and Roth 403(b) plans
- ✓ State pension calculations
- ✓ Understand your employee benefits
- ✓ Trust and Will planning
