- How to create an accordion?

- Examples of pages that use accordions

Accordions

- Compresses information on a page by creating a "dropdown" environment
- Creates a more organized look, especially for pages with a large amount of text
- Component title becomes a clickable bar that expands to show content
- Can only be used for **Text Window components (no PDFs)**
- Characteristics:
  - District site: blue title bar, gray background
  - School site: dark gray title bar, light gray background

Anchors Tutorial

What are Anchors: Anchors allow users to click a link placed on the page that takes them to another location on that same page. They are used on our very own resource page here at the top of this webpage.

TW Title: Policy on Disclosure of Student Information on District Web sites

Text:

The following provisions address the disclosure of student information, posting student created material, and posting pictures of students on the District Web pages or District branded pages.

1. Group pictures without identification of individual students are permitted without parent approval.

2. For students in elementary and intermediate school, if parents have given permission to release information, the following standards apply:
   a. Students will use a limited student identification (first name and last initial), or alternatively, first name only.
   b. Student work may be posted with the limited student identification.
   c. All student posted work will contain the student's copyright notice using the limited student identification.

3.

4. For students in high school, parents may approve either the elementary/middle school standards or the following standards:
   a. Students may be identified by their full name.
   b. Group or individual pictures of students with student identification are permitted without specific parental approval.
   c. Student work may be posted with student name.

5.

Administrative Regulation No. 7203 (continued) CLOVIS UNIFIED SCHOOL DISTRICT Page 5 of 10 d. All student posted work will contain the student's copyright notice including the student's name.
