**Clovis Unified School District has a zero tolerance policy for violence in the workplace and will not ignore any incident of verbal or physical action on the part of any employee who could cause injury to another.**

Employees can report incidents of violence in the workplace and/or potential hazards to their supervisors or managers without fear of retaliation.

If employees would like to report incidents or hazards directly to the Workplace Violence Prevention Program Administrator they can do so directly, or anonymously, by phone, email or with our online form.
